CORPORATE PLANNING DEPARTMENT

PRESS RELEASE

Date: July 9, 2018

Karnataka Bank Introduces Cash@PoS Facility

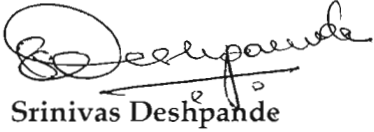

Karnataka Bank today introduced Cash@PoS facility through its network of 13,100+ Point of Sale (PoS) terminals installed at various merchant establishments throughout India. It is a facility through which any bank customers can withdraw cash using their Debit Cards /Open System Prepaid cards (issued by Banks in India) at PoS terminals of the Bank.

In accordance with the guidelines of Reserve Bank of India, customers can withdraw up to ₹ 1,000 per day per card in Tier-I and Tier-II cities, and ₹ 2,000 per card per day in Tier-III to Tier-VI centres through Cash@PoS.

The facility is available for Karnataka Bank as well as other Banks' debit / Prepaid cardholders, subject to respective banks enabling the Cash@PoS facility for their cardholders. The merchant establishment will not levy any charges for dispensing cash as charges will be levied by the card issuing bank.

"Cash@PoS virtually transforms Bank's PoS terminals as "Mini ATMs". It has many benefits to the Merchant Establishments & Cardholders. As it enables recycling of cash with merchant establishments, the retailers account is automatically deposited with cash without having to visit the branch. It is also an avenue for income generation for the merchants as they will receive fees / incentives on such transactions which will be reimbursed / paid by the Bank. On the other hand, it provides an additional channel

for the customers for withdrawing cash from his bank account at the convenience of place and time. I urge the customers of the Bank & general public to make use of the KBL Cash@PoS facility to meet their cash requirements through designated merchant establishment of the Bank” said Shri Mahabaleshwara M S, MD & CEO of the Bank.

Srinivas Deshpande
CHIEF MANAGER - PUBLIC RELATIONS
