Item No.13

In an increasingly competitive environment, rewarding performing employees of the Bank is imperative for continued success. In order to incentivize, motivate and to retain employees, Bank has recognized granting of stock options as a tool to reward the performance. Stock options create a sense of ownership among the employees and provide an opportunity to them to contribute to the growth of the Bank. It also helps in creation of long term wealth in the hands of the employees and provides performance linked rewards to the eligible employees (excluding Independent Directors). In this regard, the Board of Directors of the Bank proposes to offer stock options to eligible employees including Whole-Time Directors. Accordingly the Bank has formulated an Employee Stock Option Scheme called 'KBL STOCK OPTION SCHEME 2018' (ESOS-2018) and the scheme is administered directly by the Bank. The salient features of the scheme are set out below:

1. The total number of options to be granted under the scheme:

Upto 50,00,000 options in aggregate each option exercisable for 1 (ONE) equity share of ₹ 10 each fully paid up will be available under the scheme for granting to eligible employees.

2. Identification of class of employees entitled to participate in the ESOS 2018:

All employees subject to fulfilling the eligibility criteria as may be laid down by the Board/NRC shall be eligible to participate in the ESOS 2018.

3. Vesting:

The employee stock options granted under this scheme shall vest in a graded manner over a period of three years from the date of grant as may be decided by NRC, subject to minimum vesting period of one year from the date of grant.

4. The maximum exercise period:

Subject to the terms and conditions prescribed under the ESOS 2018, stock options vested in the employees shall be capable of being exercised in one or more tranches, within a period of maximum five years from the date of vesting of the respective stock options.

5. Pricing:

The exercise price per option shall be the closing price per equity share of the Bank on the date of the grant in terms of SEBI (Share Based Employee Benefits) Regulations, 2014. In case the date of grant falls on a non-traded day, then closing price as on the previous trading day is considered as exercise price. The decision of the Board/NRC in this regard shall be final and binding on the employees.

6. Appraisal process :

The appraisal process for determining the eligibility of the employees under the scheme shall be as prescribed by the Board/NRC.

7. Process of exercise:

Eligible employees may apply for and seek allotment of shares against options vested in them in one or more tranches as the case may be, within a period as stated above. Application duly filled and signed by eligible employees along with the exercise price should be sent to the Bank for allotment of shares against options. An option granted to an employee is not transferable.

8. The maximum number of options to be granted per employee shall be as under:

Grant of options to an identified employee in any year or in aggregate shall not exceed one per cent of the issued Equity Share Capital of the Bank.

9. Accounting policies:

The Bank shall conform to the accounting policies specified under Regulation 15 of the SEBI (Share Based Employee Benefits) Regulations, 2014.

10. Valuation method:

The Bank shall value its options using intrinsic value method as prescribed under the 'Guidance Note on Accounting for Employees Share Based Payments (Guidance Note)' or Accounting Standards issued by the ICAI or by the Ministry of Corporate Affairs from time to time. 'Intrinsic Value' of an option is the excess of the market price of the underlying share on the grant date over the exercise price. Since the Bank is opting for intrinsic value method, the difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value shall be disclosed in the Directors' Report along with impact of this difference on profits and on earnings per share of the Bank.

11. Disclosure in Directors' report:

Necessary disclosures shall be made in the Director's Report in accordance with the provisions of Companies Act, 2013 and applicable SEBI Regulations.

Pursuant to Section 62(1)(b) and other applicable provisions of the Companies Act, 2013 and as per SEBI Regulations, consent of the members by way of special resolution is required for grant of stock options to employees including the Directors. Hence the Board of Directors recommend the above resolution for approval by the shareholders.

The draft ESOS 2018 Scheme document referred above is available for inspection by any member during the normal business hours of the Bank.

Except Mr. Mahabaleshwara M.S., Managing Director & CEO and other Key Managerial Personnel and their respective relatives who may be interested in this resolution to the extent of stock options to be granted to them, no other director is interested in the above resolution.
