

Online Payment through Debit Card

Enjoy enhanced security of online shopping with Verified by Visa by means of an additional Password. Our e-commerce transactions would facilitate and benefit our Debit card holders for buying goods/services online through Internet which accept Visa card as a payment method. Our Debit Card holders would be able to buy airline tickets, railway tickets, movie tickets, pay mobile and utility bills online.

Features

- ◆ Shop online in a safe and secure manner with your existing MoneyPlant™ International Classic/Gold Debit Card.
- ◆ The Classic and Gold Debit card will be accepted on all tied up merchants who accept VISA cards as a payment option.
- ◆ The online payment of the transactions is secured and is ensured by authentication process named as Verified by Visa.
- ◆ Value addition to our Debit Card holders (Classic/Gold) apart from transaction in ATM.

What is Verified By Visa(VbV)?

Verified by Visa is a service that improves the security of payment transactions in the electronic commerce environment. It is a service that will let you use a personal password with your Karnataka Bank Visa Debit card, giving you added assurance that only you can use your Karnataka Bank Visa Debit card to make purchases over the Internet. The process is simple to use and secure:

Visit www.karnatakabank.com and register your Classic/Gold Debit Card today using your Debit Card number and Debit card PIN. Please note that it is mandatory to register your card before you use it for shopping online.

To know more, please visit your nearest Karnataka Bank Branch or visit our website www.karnatakabank.com
