

Notice to all our Dear Customers

Core Banking Upgradation at Karnataka Bank

“ Karnataka Bank Ltd is upgrading its Core Banking Solution (CBS) technology to a new version aiming to provide significant enhancement in services to its esteemed customers. The technology upgradation exercise is planned during 26th Jan - 27th Jan 2019.

Due to this upgradation process , Bank is putting its best efforts to provide uninterrupted service to the customers . However during this period there may be certain delays/interruptions in Banking services . Kindly bear with us during this phase of transition.

Karnataka Bank requests all its valued customers for their understanding & continued support during this migration period to the new version .”
