Chairman's Message

We, at Karnataka Bank, are poised to further intensify our journey in bringing out the best to our customers and have chosen to digitize rapidly, efficiently and effectively.

Even during the testing times of the pandemic, the performance of our Bank has been quite satisfactory

Dear Shareholders,

Hope you are all in good health in these trying times when people are grappling with COVID-19 pandemic created challenges and uncertainties. COVID-19 pandemic was unprecedented in the recent times. The impact of the virus has been devastating across the globe on all strata of the society. While the Governments focused on bringing out the relief through fiscal stimulus and policy measures, the businesses were forced to take a hard look and reinvent themselves to tide over the tough times.

The wave of optimism that came after the first wave of the pandemic was dampened with a severe second wave that took India by storm from mid-February to May 2021. With massive inoculation efforts across the country and recovery in few key economic indicators, even though things are looking-up now, health experts are forewarning about the possible wave 3.0 and we need to be vigilant as never before.

In the year 2020, India faced a contraction in the economy, along with the rest of the globe. Supply-chain interruptions caused slightly elevated headline inflation and higher food prices, which got moderated after December 2020. Cyclical revenue slowdowns worsened and the Government gave a push through various measures, announcements and relief packages. The Monetary Policy for 2021-22 also focused on the dual challenges of facilitating economic recovery from Covid-19 impact, while ensuring that inflation was in check.

The supply of liquidity helped to a considerable extent in softening the interest rates, narrowing of risk spreads and facilitated large flows in primary and secondary markets.

The Banking Sector

The banking sector played a significant role in supporting individuals and businesses during the pandemic ably anchored by the Reserve Bank of India. Banks were at the forefront of adapting to social change by refocusing and reallocating their capital, providing transparency, enhancing their risk frameworks, improving their reporting standards and digitizing themselves faster to take the Bank from 'customer satisfaction' to 'customer delight'.

I am happy to mention here that, being an essential service, all the staff members of our Bank worked relentlessly risking their lives to ensure continuity of business operations of Bank's customers. Hence even during the testing times of the pandemic, the performance of our Bank has been quite satisfactory and also demonstrated its ability to adapt to the changing environment as the share of digital transactions in the total transactions has increased notably. Further, Bank has been preparing itself with necessary physical, people and technical infrastructure including APIs, Business Rule Engines (BREs), Digital underwriting, KBL NxT

The Bank has been preparing itself with necessary physical, people and technical infrastructure including APIs, Business Rule Engines (BREs), Digital underwriting, KBL NxT and many more, to emerge as 'The Digital Bank of Future'

and many more, to emerge as 'The Digital Bank of Future'. The Bank is optimistic to take all these initiatives to a new high in the years to come.

Corporate Governance

The regulators like Reserve Bank of India, SEBI and others have been introducing several notable changes intended to further enhance the governance practices across the banking sector/listed entities. The circulars issued by the Reserve Bank of India in April 2021 on Board Governance and enhancing the eligibility criteria for statutory auditors are expected to bring in more clarity and improve governance practices in banks significantly. Going forward, many such policy interventions from the regulators shall improve the corporate governance standards and benchmark with the best global practices.

On behalf of my fellow Board Members, I wish to express my gratitude to all of our staff members, investors, service providers, stakeholders and most importantly our customers, for their unstinted support extended to the Bank.

We, at Karnataka Bank, are poised to further intensify our journey in bringing out the best to our customers and have chosen to digitize rapidly, efficiently and effectively. We will remain socially responsible, commercially viable Bank with customer centric approach as hitherto.

With your continued and unstinted support, Bank is looking forward to reach new heights in the days to come and celebrate Centenary Year in a most befitting manner which is just around the corner, in 2023-24.

With best wishes,

P Jayarama Bhat
Non-Executive Chairman

Managing Director and CEO's Review

Having overcome the challenges of 2020-21, we look forward with optimism and enthusiasm and our focus continues to make the current financial year an 'YEAR OF EXCELLENCE'.

Our digital transactions improved to an impressive 90.66% of the total transactions as of March 2021

Dear Shareholders,

The financial year 2020-21 was a year full of COVID-19 impact and economies around the world contracted to a greater extent. However, in the first quarter of calendar year 2021, India got hit by a second wave of the coronavirus, sending the economy and healthcare system into a challenging situation. Few of you may have lost your near and dear ones. My heartfelt condolences to all such families. I also with great grief and sorrow mention here that we in the Karnataka Bank family too have lost few colleagues. We are supporting and will continue to stand by with their families.

You are well aware that the nation slowly pulled out of the second wave towards the end of the second quarter of 2021. Vaccination efforts across the country continue to play a key role in containment of the effects of the virus and currently the country is riding on a wave of optimism after getting through the second wave, laced with caution of a potential third wave.

The year 2020-21 saw Reserve Bank of India strengthening its efforts at stabilizing the financial markets by improving financial infrastructure, access to finance, ensuring liquidity in the system, broadening participation, streamlining regulations and creating integrated surveillance systems for maintaining market integrity.

During a time when the entire world was reeling under the pandemic, we at Karnataka Bank not only overcame the challenges, but also created new performance benchmarks by protecting our asset quality, improving the fundamentals and mitigating risks effectively thus demonstrating the resilience of the Bank. Our results are a shining beacon of hope for the future, with several new benchmarks we established internally during such a difficult year, thanks to

“
During this pandemic affected year, we focused intensely on further strengthening the balance sheet and improving our asset quality. There has been many highs to the Bank during the reporting year. The Net Profit zoomed to ₹ 482.57 crores, CRAR to 14.85%, PCR to 70.05%, CASA to 31.49% etc.

Last year we also started the MSME digital underwriting, which reached around 42% of the daily MSME sanctions.

the unstinted support of our customers and the committed efforts of our employees.

Performance Highlights

We are pleased to report that our operating profit year-on-year went up by 20.67% and net profit went up by 11.76%, reaching a new high of ₹ 482.57 crores. Our CASA ratio improved to 31.49% from 28.91% Y-o-Y, also touching a new high and the overall cost of deposits reduced from 6.01% to 5.29% due to the interest rate moderation and rationalization. Above all, during this pandemic affected year, we focused intensely on further strengthening the balance sheet and improving our asset quality. Last year our CRAR was at 12.88% and this year we improved it to 14.85%, as against the minimum stipulated CRAR of 10.875% by RBI and again this is a new high for our Bank. Similarly the PCR (Provision Coverage Ratio), which was at 64.67% last year has further improved to 70.05% during this year. As far as the asset quality is concerned, both the Gross NPAs (GNPA) and Net NPAs (NNPA) have moderated and were contained at 4.91% and 3.18% respectively inspite of the pandemic affected economy. Our GNPA's which were at ₹ 2,799 crores about a year back improved to ₹ 2,588 crores in absolute terms, thus, there is a reduction of ₹ 211 crores in the GNPA during this COVID-19 pandemic affected year. Similarly, the NNPA's have also come down from ₹ 1,755 crores to ₹ 1,642 crores as at March 31, 2021, representing a reduction by ₹ 113 crores. Even though in percentage terms, there is a marginal increase of around 10 bps both in the GNPA as well as NNPA, this was mainly on account of the denominator factor, as our overall loan book came down by around 9%. Further please note that the 9% reduction is again on account of reduction in the large corporate advances which was in tune with our credit realignment efforts even though Retail and Mid Corporate loan books registered positive tractions. Going forward the combined portfolios of Retail and Mid Corporates is expected to be the growth engine.

Our Digital Journey

We were frontrunners in the computerisation of banking and adopted Core Banking Solutions way back in 2000. In 2017, we commenced our new gen digital foray with “Project KBL VIKAAS” and established a Digital Centre of

Excellence (DCoE) in Bengaluru. We are further accelerating our endeavour to be a new gen digitized bank through our plans under “KBL NxT”.

We have tech-enabled loan sanctions for most of the Retail loan products. We introduced online opening of savings bank accounts through Tab and Web Banking. Further, we lined up many digital products for FY22 and beyond. In the current year, our digital transactions improved to an impressive 90.66% of the total transactions as of March 2021 and 91.63% as of June 2021, putting us on par with tech savvy private sector banks.

Our digital underwriting of retail loans gained momentum during the FY 2021. In fact, in the home loan portfolio about 72% of our daily underwritings are done digitally. Similarly, in car loans, around 75% are being sanctioned digitally. Last year we also started the MSME digital underwriting, which reached around 42% of the daily MSME sanctions. The digitalization enhances our customer experience besides aiding our cost reduction strategies. I am confident that going forward, we will be able to reach around 80% of all our retail loans to be sanctioned under the digital underwriting platform, thus resulting in large scale efficiency.

In FY21 Karnataka Bank formed a non-financial wholly owned subsidiary – KBL Services Ltd. This subsidiary will play a complementary role by assuming the back-office operations for many of our initiatives.

Way Forward

Having overcome the challenges in 2020-21, we look forward with optimism and enthusiasm and our focus continues to make the current financial year an ‘YEAR OF EXCELLENCE’ and ‘Team KBL’ shall strive hard to see our Bank among the Top three in the peer group in the years to come, by focusing on following aspects:

- a. A healthy, consistent, sustainable and remunerative business.
- b. An efficient collection mechanism to further de-stress the Advances Portfolio and to bring down the Slippage Ratio.
- c. To continue our good efforts in NPA resolution and recovery in Technically Written-Off accounts.
- d. To have a ‘Cost-Lite’ liability portfolio by focusing on CASA and cost effective RTD (Retail Term Deposit).
- e. Customer centric initiatives including TPP, to broadbase our fee income stream.

We will be focusing on taking the digital initiatives to the next level to create a ‘Digital Bank of Future’ by focusing on ‘KBL NxT’ concept.

- f. Redesigning our business model by duly factoring in the service of KBL Services Ltd.
- g. Creating a future ready workforce.
- h. Further strengthening the control functions by spreading the culture of compliance.
- i. Further strengthening the fundamentals like PCR, CRAR, NIM, ROA, ROE, Cost to Income Ratio etc.
- j. Enhancing the stake holders’ value.
- k. Taking digital initiatives to next level to create a ‘Digital Bank of Future’ by further strengthening the IT/ digital security features and by focusing on ‘KBL NxT’ concept.
- l. Initiating forward looking and long lasting initiatives for our Centenary Year (2023-24).

I am also indebted to my employees and the leadership teams who have helped the Bank to get through a difficult pandemic year. I'd like to express my sincere gratitude to each and every person who has helped this Bank grow. I would also like to thank the Reserve Bank of India for their timely guidance and policy measures that helped the nation to get through the financial and economic effects caused by the pandemic. I would also thank the Chairman and the Board of Directors of our Bank for their guidance and immense support and also customers, shareholders/ investors for their loyalty and faith in us which keeps us motivated to continuously innovate, deliver and delight.

Soliciting your continued support and understanding in the aspirational journey of the Bank to create a New KBL.

Yours faithfully,

Mahabaleshwara M S

Digital Banking

Karnataka Bank pioneered its digitalization way back in FY2000 and since then it has been making progress in its technology adoption initiatives. The Bank took a major proactive step in 2017 by initiating a holistic transformation journey – **‘Project KBL VIKAAS’** by having Boston Consulting Group (BCG) as its Transformation Consultant.

The Bank has identified technology adoption as one of the key enablers in its transformation journey to adapt itself to a dynamic environment to become a new age “The Digital Bank of Future”. In this direction, it has established a state-of-the-art Digital Centre of Excellence (DCoE) in Bengaluru – one of the most important outcomes of the ongoing digital initiatives. DCoE is now the digital innovation hub of the Bank, powering the launch of various digital products, harnessing the latest cutting edge digital technology in the industry.

Recent Initiatives in the Digital Journey

Bank has introduced several digital products/processes for enhancing the customer experience. The share of digital transactions in the total transactions is ever increasing as given below thus demonstrating our ability to adapt to the changing environment on an ongoing basis.

ಕಾರ್ಯಕಾರಿ ಮಂಡಳಿ ಕಲಾಪ ಮತ್ತು ವಿಶ್ಲೇಷಣೆ

ಕೋವಿಡ್-19 ಸಾಂಕ್ರಾಮಿಕದ ಪ್ರಕೋಪವು ಮುಂದುವರಿದು ಇಡೀ ವಿಶ್ವವು ಹಿಂದೆಂದೂ ಕಂಡಿರದ ಆರೋಗ್ಯ ಬಿಕ್ಕಟ್ಟಿಗೆ ಸಾಕ್ಷಿಯಾಯಿತು ಮತ್ತು ಅನೇಕ ಚಟುವಟಿಕೆಗಳು ಸ್ಥಗಿತಗೊಂಡವು. ಈ ಸಾಂಕ್ರಾಮಿಕ ರೋಗವು ಪ್ರಪಂಚಾದ್ಯಂತ ಭಾರಿ ಜೀವ ಮತ್ತು ಜೀವನೋಪಾಯದ ಹಾನಿಗೆ ಕಾರಣವಾಯಿತು ಇದು ಜಾಗತಿಕ ಆರ್ಥಿಕತೆಯ ಮೇಲೆ ನಕಾರಾತ್ಮಕ ಪರಿಣಾಮ ಬೀರಿತು. ಅಂತಾರಾಷ್ಟ್ರೀಯ ಹಣಕಾಸು ನಿಧಿ (ಐಎಂಎಫ್), ತನ್ನ ವಿಶ್ವ ಆರ್ಥಿಕ ದೃಷ್ಟಿಕೋನ-ಏಪ್ರಿಲ್ 2021 ರಲ್ಲಿ ಜಾಗತಿಕ ಆರ್ಥಿಕತೆಯು 2021 ರಲ್ಲಿ 6 ಪ್ರತಿಶತದಷ್ಟು ಬೆಳವಣಿಗೆಯಾಗಲಿದೆ ಎಂದು ಅಂದಾಜಿಸಿದೆ, ಆದರೆ ಇದು 2022ರ ವೇಳೆಗೆ 4.4 ಪ್ರತಿಶತಕ್ಕೆ ಇಳಿಮುಖವಾಗುವ ನಿರೀಕ್ಷೆಯನ್ನೂ ವ್ಯಕ್ತಪಡಿಸಿದೆ.

ಜಾಗತಿಕ ಆರ್ಥಿಕತೆಯು ಪುನರುಜ್ಜೀವನದ ಲಕ್ಷಣಗಳನ್ನು ತೋರಿಸುತ್ತಿದ್ದರೂ, ಜಾಗತಿಕ ಆರ್ಥಿಕತೆಯ ದೃಷ್ಟಿಕೋನದಲ್ಲಿ ಹೆಚ್ಚಿನ ಅನಿಶ್ಚಿತತೆ ಆವರಿಸಿದೆ. ಇದು ಮುಖ್ಯವಾಗಿ ಆರೋಗ್ಯ ಬಿಕ್ಕಟ್ಟಿನಿಂದ ಶೀಘ್ರ ಚೇತರಿಕೆ, ಲಸಿಕೆ ನೀಡುವಲ್ಲಿ ವೇಗ, ಹೆಚ್ಚುವರಿ ಹಣಕಾಸಿನ ಬೆಂಬಲ ಮತ್ತು ಸರ್ಕಾರಗಳ ನೀತಿ-ಆದ್ಯತೆಗಳ ಮೇಲೆ ಅವಲಂಬಿತವಾಗಿದೆ.

2020-21ರ ಅವಧಿಯಲ್ಲಿ, ಭಾರತೀಯ ಆರ್ಥಿಕತೆಯು ಕೂಡಾ ಇದೇ ರೀತಿಯ ಸವಾಲುಗಳಿಗೆ ಸಾಕ್ಷಿಯಾಯಿತು ಮತ್ತು ಹಲವಾರು ಕೈಗಾರಿಕೆ-ಉದ್ಯಮಗಳು ತಕ್ಷಣವೇ ಹಿನ್ನಡೆಯನ್ನುನುಭವಿಸಿದವು. ತ್ರೈಮಾಸಿಕ ಜಿಡಿಪಿ ದರವನ್ನು ಗಮನಿಸಿದಾಗ ಆರ್ಥಿಕ ಕ್ಷೇತ್ರದ ಮೇಲೆಯೂ ಇದರ ವ್ಯತಿರಿಕ್ತ ಪರಿಣಾಮವು ಗೋಚರಿಸುತ್ತಿದೆ.

ರಿಸರ್ವ್ ಬ್ಯಾಂಕ್ ಆಫ್ ಇಂಡಿಯಾದ ವಾರ್ಷಿಕ ವರದಿ 2021 ಪ್ರಕಾರ ಜಿಡಿಪಿಯಿಂದ ಅಳೆಯಲಾದ ಒಟ್ಟು ಬೇಡಿಕೆ, 2020-21ರಲ್ಲಿ ಶೇ. 8.0 ರಷ್ಟು ಸಂಕುಚಿತಗೊಂಡಿದೆ. ಇದು 1980-81ರ ನಂತರದ ಅತಿ ದೊಡ್ಡ ಮತ್ತು ಇದುವರೆಗಿನ ಅತ್ಯಂತ ಕಠಿಣ ಸಂಕೋಚನವಾಗಿದೆ.

ಆದಾಗ್ಯೂ, ಬೇಡಿಕೆ ಮತ್ತು ಪೂರೈಕೆಯು ಯಥಾಸ್ಥಿತಿಗೆ ಮರಳುವ ಮೂಲಕ Q2FY21 ಮತ್ತು Q3FY21 ನಲ್ಲಿ ಬೆಳವಣಿಗೆ ಕಂಡುಬಂದಿದೆ. ಮಾರ್ಚ್ 2021 ರ ಹೊತ್ತಿಗೆ ಜಿಎಸ್ಪಿ ಸಂಗ್ರಹವಾದ ಮೊತ್ತ ಸಾಂಕ್ರಾಮಿಕ ನಂತರದ ಆರ್ಥಿಕ ಚೇತರಿಕೆಯು ಗಮನಾರ್ಹವಾಗಿದೆ ಎಂದು ಸೂಚಿಸುತ್ತದೆ.

ಭಾರತೀಯ ಬ್ಯಾಂಕಿಂಗ್ ಕ್ಷೇತ್ರದಲ್ಲಿನ ಆಗುಹೋಗುಗಳು

2019-20ರಲ್ಲಿ ಕುಸಿತ ಕಂಡ ಬ್ಯಾಂಕ್ ಸಾಲದ ಬೆಳವಣಿಗೆ, ಕೋವಿಡ್-19 ಪ್ರೇರಿತ ಲಾಕ್‌ಡೌನ್ ಹಿನ್ನೆಲೆಯಲ್ಲಿ 2020-21ರಲ್ಲಿ ಮತ್ತಷ್ಟು ಹಿನ್ನಡೆ ಅನುಭವಿಸಿತು. ಆದಾಗ್ಯೂ, ಬಂಡವಾಳ ಮತ್ತು ಹಣದ ಹರಿವಿನ ಲಭ್ಯತೆಯಿಂದಾಗಿ ಬ್ಯಾಂಕುಗಳು ಸಾಲದ ಹರಿವನ್ನು ಸೂಕ್ತವಾಗಿ ನಿರ್ವಹಿಸುತ್ತಿವೆ. ಆರ್ಥಿಕ ಚಟುವಟಿಕೆಯ ಪುನರಾರಂಭದೊಂದಿಗೆ, ಕೃಷಿ ಮತ್ತು ಸೇವಾ ವಲಯಗಳಿಗೆ ನೀಡಲಾಗುವ ಸಾಲದಲ್ಲಿ 2021 ನೇ ವರ್ಷದ ಅಂತ್ಯದ ವೇಳೆಗೆ ಉತ್ತಮ ಬೆಳವಣಿಗೆ ದಾಖಲಾಗಿದೆ.

ಕೈಗಾರಿಕಾ ವಲಯದಲ್ಲಿಯೂ ಸಹ, ಮಧ್ಯಮ ಗಾತ್ರದ ಕೈಗಾರಿಕೆಗಳಿಗೆ ಕೊಟ್ಟಿರುವ ಸಾಲದ ಬೆಳವಣಿಗೆಯು ಸರ್ಕಾರ ಮತ್ತು ಭಾರತೀಯ ರಿಸರ್ವ್ ಬ್ಯಾಂಕ್ ತೆಗೆದುಕೊಂಡ ಹಲವಾರು ಕ್ರಮಗಳ ಸಕಾರಾತ್ಮಕ ಪರಿಣಾಮವನ್ನು ಸೂಚಿಸುತ್ತದೆ. ವರದಿ ವರ್ಷದಲ್ಲಿ ಸಾಲದ ಬೆಳವಣಿಗೆಯನ್ನು ಶೇ. 6.9 ಎಂದು ಅಂದಾಜಿಸಲಾಗಿದ್ದು, ಇದು FY22 ರಲ್ಲಿ ಶೇ. 8.9 ನಷ್ಟು ಬೆಳೆಯುವ ನಿರೀಕ್ಷೆಯಿದೆ.

ಭಾರತ ಸರ್ಕಾರವು ಸಾಂಕ್ರಾಮಿಕ ಚಾಲಿತ ಬಿಕ್ಕಟ್ಟಿನಿಂದ ಆರ್ಥಿಕತೆಯನ್ನು ರಕ್ಷಿಸಲು 'ಆತ್ಮನಿರ್ಭರ ಭಾರತ' ಅಭಿಯಾನದಂತಹ ಹಲವಾರು ಕ್ರಮಗಳನ್ನು ಘೋಷಿಸಿದೆ. ಈ ಬಿಕ್ಕಟ್ಟಿನ ಸಂದರ್ಭದಲ್ಲಿ ಸಾಲಗಾರರಿಗೆ ಬೆಂಬಲ ನೀಡುವ ಸರ್ಕಾರದ ಎಲ್ಲಾ ಉತ್ತೇಜಕ ಯೋಜನೆಗಳಲ್ಲಿ ನಿಮ್ಮ ಬ್ಯಾಂಕ್ ಸಕ್ರಿಯವಾಗಿ ಭಾಗವಹಿಸಿದೆ. ಮೊರಟೋರಿಯಂ ಪ್ರಯೋಜನಗಳನ್ನು ವಿಸ್ತರಿಸುವಲ್ಲಿ, ಅರ್ಹ ಸಾಲಗಾರರಿಗೆ GECL (ಗ್ಯಾರಂಟೀಡ್ ಎಮರ್ಜೆನ್ಸಿ ಕ್ರೆಡಿಟ್ ಲೈನ್) ಮಂಜೂರು ಮಾಡುವಲ್ಲಿ ಮತ್ತು ಅರ್ಹ ಸಾಲಗಳ ಪುನಾರಚನೆ (OTR), MSME ಪುನಾರಚನೆ, ಇತ್ಯಾದಿಗಳಲ್ಲಿ ಬ್ಯಾಂಕ್ ಕ್ಷಿಪ್ರಗತಿಯಲ್ಲಿ ಕಾರ್ಯನಿರ್ವಹಿಸಿದೆ.

ಭಾರತದ ಗೌರವಾನ್ವಿತ ಸರ್ವೋಚ್ಚ ನ್ಯಾಯಾಲಯವು 03 ಸೆಪ್ಟೆಂಬರ್ 2020 ರಂದು ಅನುತ್ಪಾದಕ ಆಸ್ತಿಯ ವರ್ಗೀಕರಣದ ಮೇಲೆ ಮಧ್ಯಂತರ ತಡೆಯಾಜ್ಞೆ ನೀಡಿತು ಮತ್ತು 23 ಮಾರ್ಚ್ 2021 ರಂದು ಅಂತಿಮ ತೀರ್ಪಿನ ಪ್ರಕಟಣೆಯೊಂದಿಗೆ, ಬ್ಯಾಂಕುಗಳಲ್ಲಿ ಅನುತ್ಪಾದಕ ಆಸ್ತಿಯ ಗುರುತಿಸುವಿಕೆಯ ಪ್ರಕ್ರಿಯೆ ಪುನರಾರಂಭಗೊಂಡಿದೆ.

MANAGEMENT DISCUSSION AND ANALYSIS

GLOBAL AND INDIAN ECONOMY

With the continued outbreak of COVID-19 pandemic, the entire world witnessed an unprecedented health crisis and shut down of many activities. The pandemic resulted in huge loss of lives and livelihoods across the globe, negatively impacting the global economy. The International Monetary Fund (IMF), in its World Economic Outlook-April 2021 projected the global economy to grow at 6 per cent in 2021, which is expected to moderate to 4.4 per cent during 2022. Although the global economy is showing symptoms of revival, there is a high uncertainty surrounding the global outlook which is mainly dependent on recovery from the healthcare crisis, vaccine powered recovery, additional fiscal support and the policy priorities of the governments going forward.

During the year 2020-21, the Indian economy also witnessed similar unprecedented disruptions. Several industries were impacted immediately and the impact on the financial sector was felt with a lag, as is evident from the quarterly GDP numbers. According to the Reserve Bank of India's Annual Report 2021, the Second Advance Estimate (SAE) that were released by the National Statistical Office (NSO) in February 2021 revealed that aggregate demand, measured by real GDP, contracted by 8.0 per cent in 2020-21 which is the first contraction experienced since 1980-81 and the severest ever. However, moderate restoration in demand and supply was visible in the growth rate in Q2FY21 indicating a recovery in momentum. This was sustained in the next quarter as well, reflected in an uptick in the three quarter moving average of GDP numbers in Q3FY21. Nevertheless, the GST Collection numbers as of March 2021 indicate that economic recovery post-pandemic has been noteworthy.

With industries showing immense resilience through innovative ways during the pandemic affected period, growth sustainability in FY22 will depend on vaccination of people and effective implementation of various measures announced in the Union Budget.

DEVELOPMENTS IN THE INDIAN BANKING SECTOR

Bank credit growth, which witnessed a slowdown in 2019-20, experienced a further setback in 2020-21 in the wake of COVID-19 induced lockdown, however, banks have been maintaining credit flows, supported by capital and liquidity buffers. With the gradual resumption of economic activity, credit to agriculture and services sectors has registered an accelerated growth towards the end of the FY21. Even in the industrial sector, credit growth to medium industries has accelerated indicating a positive impact of several measures taken by the Government and the Reserve Bank of India. Even though in FY21 credit growth is estimated at 6.9%, the credit is expected to grow at 8.9% in FY22.

The Government of India had announced a slew of measures to protect the economy from the pandemic driven crisis such as monetary and fiscal stimulus and also a host of other measures under AatmaNirbhar Bharat Abhiyan. Your Bank actively participated in all these stimulus schemes of the Government which were aimed at handholding of borrowers during this crisis. The Bank acted swiftly in extending the moratorium benefits, sanctioning of GECL (Guaranteed Emergency Credit Line) to the eligible borrowers and One Time Restructuring (OTR), MSME Restructuring etc. The Hon'ble Supreme Court of India, upon hearing Writ petition(s) (Civil) No(s). 825/2020, had granted interim stay on September 3, 2020 on classification of accounts as NPA and with the pronouncement of final Judgment on March 23, 2021, NPA marking by Banks has resumed.

OPPORTUNITIES AND OUTLOOK

As economies re-opened and there was a pick-up in mobility, the global economy began coming out of the recession. Overall activity normalised faster than anticipated, with private consumption rebounding the most vigorously. In some economies, GDP out turns surprised on the upside, supported by public transfers and investment. Global trade began recovering with the restart of activity and a strong pickup in external demand.

Government of India has introduced Production Linked Incentive scheme (PLI) to enhance India's Manufacturing Capabilities and Exports with an estimated outlay of ₹1.97 lakh crore for a period of five years commencing from FY 2021-22 for 13 key sectors which is expected to benefit the MSME sector and the same also coincides with the Bank's strategy of realigning loan mix with a higher share of retail and mid corporate advances.

The India Meteorological Department (IMD) has forecast a normal monsoon, which will augur well for agriculture. Further, the RBI in its Monetary Policy Statement, 2021-22 estimates that the strong rural demand and the expected normal monsoon will bode well for sustaining the rural economy. Moreover, the vaccination process is expected to gather steam in the coming months and should help to normalise economic activity quickly.

The business mantra of "Conserve, Consolidate and Emerge Stronger" adopted by your Bank at the beginning of the FY21 has been helping the Bank in further strengthening its fundamentals. Further, your Bank under its aspirational Transformation Project-KBL VIKAAAS has put in place the digital infrastructure which provided necessary thrust in ensuring the business continuity during the pandemic period. Bank's digital loan underwriting capabilities coupled with digital on-boarding capabilities for the liability products demonstrated Bank's ability to quickly adapt to the external challenges. In this direction, Bank is further aiming to become the 'Digital Bank of Future'. 4. TABLE DF-3 : CREDIT RISK : GENERAL DISCLOSURES CREDIT RISK MANAGEMENT

Qualitative Disclosures

(a) General qualitative disclosure with respect to credit risk

Bank has developed an online comprehensive credit risk rating system for all borrower accounts. Risk rating of borrowers is intended to help banks in quantifying and aggregating the credit risk across various exposures. The Bank has validated its existing rating models and refined/revised the corporate models, besides introduction of Specialized lending rating models, Retail score card models [Pool based approach], facility rating and Business Rule Engine based KBL-96 scorecard used for digital journey. Accordingly, Bank is rating its credit portfolio as per the criteria laid down for rating in the Loan Policy of the Bank. The rating serves as a single point indicator of diverse risk factors of counter-party and for taking credit decisions. The risk rating system is drawn up in a structured manner, incorporating different factors such as borrower and industry specific characteristics. The Bank also undertakes periodic validation exercise of its rating models and also conducts migration and default rate analysis to test robustness of its rating models.

The Bank has formulated a comprehensive Loan Policy by incorporating various parameters and prudential limits to manage and control default, transaction and intrinsic/concentration risk. The credit exposures are taken after subjecting the proposals to analysis of various risk factors such as financial risk, industry risk, management risk, business risk, transaction risk etc.

The Bank analyses the migration of borrowers in various risk rating categories to gauge the quality of the loan portfolio. The Bank also conducts periodical review of the loan assets to ascertain conduct of the accounts. The Bank conducts periodical Credit Audit and Stock Audit of large credit exposures to limit the magnitude of credit risk and interest rate risk.

Credit sanction and related processes

Know Your Customer is a leading principle for all business activities. The other components of the credit processes are:

1. Sound credit approval process with well laid credit sanctioning criteria.
2. The acceptability of credit exposure, primarily based on the sustainability and adequacy of borrower's normal business operations and not based solely on the availability of security.

- Portfolio level risk analysis and reporting to ensure optimal spread of risk across various rating classes to prevent undue risk concentration across any particular industry segments and monitor credit risk migration.
- Sector specific studies at periodic intervals to highlight risks and opportunities in those sectors.
- Adoption of rating linked exposure norms.
- Industry-wise exposure ceilings based on the industry performance, prospects and the competitiveness of the sector.
- Separate risk limits for credit portfolios like advances to NBFC and unsecured loans that require special monitoring.

Review and Monitoring

- All credit exposures, once approved, are monitored and reviewed periodically against the approved limits. Borrowers with lower credit rating are subject to more frequent reviews.
- Credit monitoring involves independent review of credit risk assessment, compliance with internal policies of the Bank and with the regulatory framework, compliance with the sanction terms and conditions and effectiveness of loan administration.
- Customers with emerging credit problems are identified early and classified accordingly. Remedial action is initiated promptly to minimize the potential loss to the Bank.

Concentration Risk

The Bank controls concentration risk by means of appropriate sectoral limits and borrowers limits based on creditworthiness. The Bank also captures the Concentration risk by monitoring the geographical exposure.

TABLE DF-4: CREDIT RISK: DISCLOSURE FOR PORTFOLIOS SUBJECT TO THE STANDARDIZED APPROACH**Qualitative Disclosures**

Large corporate borrowers and Public Sector Enterprises are being encouraged to solicit ratings from approved external rating agencies and wherever such ratings are available, the Bank uses the same in assigning risk weights. Bank has approved 7 domestic credit rating agencies identified by RBI i.e. CRISIL, CARE, India Ratings and Research Private Limited (earlier FITCH India), ICRA, Brickwork, Acuite Ratings & Research Ltd (Earlier SMERA Ratings Limited) and INFOMERICS Valuation and Rating Pvt Ltd (INFOMERICS). The ratings available in public domain are mapped according to risk profile and specific risk characteristics of each rating grade of respective agencies as envisaged in RBI guidelines.

Quantitative Disclosures

The credit exposure [fund based & non-fund based] after risk mitigation (subject to the standardized Approach) in different risk buckets are as under:

(₹ in Crores)

| | Total | 49,113.49 |

5. TABLE DF-5 : CREDIT RISK MITIGATION: DISCLOSURES FOR STANDARDIZED APPROACH**Qualitative Disclosures**

As stipulated by the RBI guidelines, the Bank uses the comprehensive approach for collateral risk mitigation. Under this approach, the Bank reduces its credit exposure to counterparty when calculating its capital requirements to the extent of risk mitigation provided by the eligible financial collateral as specified in the Basel guidelines.

Types of eligible financial collateral / Guarantors:

The Bank recognizes only specified types of financial collateral and guarantees (counter-guarantors) for providing capital relief in line with Basel II guidelines on credit risk mitigation.

This includes cash, Bank own deposits, gold (including bullion and jewellery, subject to collateralized jewellery being notionally converted/benchmarked to 99.99 per cent purity), securities issued by the Central and State Governments, Kisan Vikas Patra, National Savings certificates, life insurance policies with a declared surrender value which is regulated by IRDA, certain debt securities rated by a recognized credit rating agency, certain debt securities not rated but issued by Banks and listed on a recognized exchange and are classified as senior debt, certain mutual fund units where daily Net Assets Value (NAV) is available in public domain.

Eligible Guarantors (counter-guarantors):

Credit protection given by the following entities is recognized:

- Sovereigns, sovereign entities (including BIS, IMF, European Central Bank and European Community as well as permitted MDBs, ECGC, CRGFTLIH and CGTMSE), Banks and primary dealers with a lower risk weight than the counterparty;

- ii) Other entities that are externally rated except when credit protection is provided to a securitization exposure. This would include credit protection provided by parent, subsidiary and affiliate companies when they have a lower risk weight than the obligor.
- iii) When credit protection is provided to a securitization exposure, other entities that currently are externally rated BBB- or better and that were externally rated A- or better at the time the credit protection was provided. This would include credit protection provided by parent, subsidiary and affiliate companies when they have a lower risk weight than the obligor.

Quantitative Disclosures

The extent of total credit exposure (under the standardized approach) covered by eligible financial collaterals after application of haircuts are furnished below:

| | (₹ in Crores) |

| Eligible financial collaterals after haircuts | 5,689.04 |
| Eligible guarantees | 803.77 |

6. MARKET RISK IN TRADING BOOK

Qualitative Disclosures

The Bank has put in place Board approved Integrated Treasury Policy, Asset Liability Management (ALM) policy, Market Risk Management Policy and Fund Transfer Pricing Policy for effective management of market risk in the Bank. The objective of Integrated Treasury Policy is to assess and minimize risks associated with treasury operations by extensive use of various risk management tools. Broadly, it encompasses Policy prescriptions for managing systemic risk, credit risk, market risk, operational risk and liquidity risk in treasury operations.

For market risk arising out of various products in treasury and its business activities, the Bank has set regulatory / internal limits and ensures the adherence thereof. Migration of ratings is tracked regularly. Limits for exposures to counterparties, industries and countries are monitored and the risks are controlled through Stop Loss Limits, Overnight limit, Daylight limit, Aggregate Gap limit, Individual gap limit, Value at Risk (VaR) limit for Forex, Inter-Bank dealing and various investment limits. For the Market Risk Management the Bank has a Mid Office. The functions of Mid Office are handled by Risk Management Department.

The Board, RCMC & ALCO are overseeing the market risk management of the Bank, procedures thereof, implementing risk management guidelines issued by regulator, best risk management practices followed globally and ensures that internal parameters, procedures, practices/policies and risk management prudential limits are adhered to.

Liquidity risk of the Bank is assessed through daily gap analysis for maturity mismatch based on residual maturity in different time buckets as well as various liquidity ratios and management of the same is done within the prudential limits fixed thereon. Advance techniques such as Stress testing, simulation, sensitivity analysis etc. are conducted on regular intervals to draw the contingency funding plan under different liquidity scenarios.

Fund Transfer Pricing Policy which lays down methodology/assumptions on which profitability the branches/products/customers are measured and the outcome of the FTP results are being used for effective decision making.

Quantitative Disclosures

Bank has adopted the Standardized Duration Approach as prescribed by RBI for computation of capital charge for market risk and is fully compliant with such RBI guidelines.

The capital requirements for market risk are detailed below:

(₹ in Crore)

| SI No | Risk Category | Capital Charge |
|-------|--|----------------|
| I | Interest Rate | 115.43 |
| II | Equity | 167.57 |
| III | Foreign Exchange , Gold and Derivatives | 0.76 |
| IV | Total Capital Charge for market Risk (I+II+III) | 283.76 |

7. TABLE DF-9: INTEREST RATE RISK IN THE BANKING BOOK (IRRBB)

The interest rate risk is viewed from two perspectives i.e. 'Earnings Perspective' and 'Economic Value Perspective'. Generally, the former is measured using Earnings-at-Risk (EaR) under Traditional Gap Analysis (TGA) and the latter is measured through changes in the Market value of Equity (MVE) under Duration Gap Analysis (DGA).

- **Earnings-at-Risk (EaR):**

All the Rate Sensitive Assets (RSA) and Rate Sensitive Liabilities (RSL) maturing/re-pricing up to 1 year are bucketed as per Traditional Gap Analysis (TGA) and EaR analysis is conducted by applying various shocks on product-wise weighted average interest rates in each time band. EaR is quantified by changes in the NII and NIM in comparison with the previous financial year end.

- **Impact on Market Value of Equity (MVE):**

Impact on Market Value of Equity (MVE) is analyzed through Duration Gap Analysis (DGA) which involves bucketing of market value of all Rate Sensitive Assets and Rate Sensitive Liabilities as per residual maturity/ re-pricing in various time bands and computing Modified Duration Gap. Accurate method is adopted for computing the market value by discounting each cash flow of all Rate Sensitive Assets (RSA) and Rate Sensitive Liabilities (RSL) with various discount curves as suggested by RBI. Notional interest rate shocks are applied on the resultant Modified Duration Gap to arrive at the changes in the Market Value of Equity (MVE).

- Prudential limits have been fixed for changes in NIM and MVE for 200bps shock in the interest rates and monitored on a monthly basis.
- Earning at Risk for 200 bps interest rate shock is estimated at ₹.66.19 Crore and change in the Market value of Equity for 200 bps interest rate shocks is 16.45%.

8. TABLE DF-8 : OPERATIONAL RISK

Strategies and Processes: Bank has initiated several measures to manage operational risk through identification, assessment and monitoring of inherent risks in all its business processes. A framework has been laid to capture loss data which can be mapped to operational risk events to measure the impact quantitatively. Bank has put in place a hierarchical structure to effectively manage operational risk through the formation of internal committee viz., Operational Risk Management Committee (ORMC).

Scope and Nature of Operational Risk Reporting and Measurement Systems

A systematic process for reporting risk events, loss events, "near misses" and non-compliance issues relating to operational risks have been developed and implemented. The information gathered will be used to develop triggers to initiate corrective actions to improve controls. All critical risks and potential loss events are reported to the senior Management/ORMC/RCMC as appropriate for their directions and suggestions.

An Operational Risk Management Policy approved by the Board of Directors details the framework for hedging and/or mitigating operational risk in the Bank. As per the policy, all new products are vetted by the New Product Approval Committee to identify and assess potential operational risks involved and suggest control measures to mitigate the risks.

Approach for Operational Risk Capital Assessment

As per the RBI guidelines, the Bank has adopted Basic Indicator Approach for computing capital charge for Operational Risk. Steps have been initiated to migrate to the Advanced Measurement Approach.

9. TABLE DF-10 : GENERAL DISCLOSURES FOR EXPOSURE RELATED TO COUNTERPARTY CREDIT RISK

Qualitative Disclosures

Counterparty Credit Risk exposures for banks are assessed based on Bank's business requirements and considering counterparty Bank's parameters such as CRAR, net worth, NPA level etc. Counterparty exposures for other entities are assessed subject to exposure ceilings as per the Loan Policy of the Bank. Capital for Counterparty Credit Risk exposure is assessed based on Standardized Approach.

The Bank does not recognize bilateral netting. The credit equivalent amount of derivative exposure is calculated using Current Exposure Method and the balance outstanding as on 31st March, 2021 is as under:

| (d) | Description of the ways in which the bank seeks to link performance during a performance measurement period with levels of remuneration. |
| | <p>The performance-based remuneration motivates and rewards high performers who strengthen long-term customer relations, and generate income and shareholder value. The Bank's Compensation Policy stipulates that while designing the compensation package to WTD/CEO & Material Risk Takers, it is ensured that there is a proper balance between fixed pay and variable pay. In case of Material Risk Takers, the maximum permissible limit of variable pay is at 100% of fixed pay with similar deferral arrangement. The policy also provides that the deferred compensation will be subject to malus/clawback arrangements in the event of subdued or negative financial performance of the bank and/or the relevant line of business in any year and the policy has identified certain set of situations which, if triggered, empower the NRC/Board of Directors to invoke malus/clawback clauses. 13. LEVERAGE RATIO

Qualitative Disclosure:

Under Basel III, a simple, transparent, non-risk based ratio called leverage ratio has been introduced which is calibrated to act as a credible supplementary measure to the risk based capital requirements. This ratio acts as a "backstop" measure to the risk based capital requirements and constrains the build-up of leverage in the banking sector.

The Leverage Ratio is computed as:

$$\text{Leverage Ratio} = \frac{\text{Capital Measure (Tier I capital)}}{\text{Exposure Measure}}$$

The capital measure is the Tier 1 capital of the risk-based capital framework, taking into account various regulatory adjustments/deductions and the transitional arrangements. The exposure measure is the sum of on-balance sheet exposures, derivative exposures, securities financing transaction (SFT) exposures and off-balance sheet items.

13. LIQUIDITY COVERAGE RATIO (LCR)

Qualitative Disclosure:

Bank is computing LCR on a daily basis in line with the RBI circular dated June 9, 2014 on "Basel III Framework on Liquidity Standards – Liquidity Coverage Ratio (LCR), Liquidity Risk Monitoring Tools and LCR Disclosure Standards". These guidelines ensure that banks maintain sufficient amount of High Quality Liquidity Assets (HQLAs) to survive 30 days stress scenario so that banks can take corrective measures within such period. These HQLAs have to be 100% of the net cash outflows w.e.f. January 1, 2019.

Bank's Asset Liability Management Committee (ALCO) is empowered to monitor and form suitable strategies to maintain stipulated levels of LCR by channelizing funds to target good quality asset and liability profile to meet Bank's profitability

as well as liquidity requirements. Funding strategies are formulated by the Treasury and Accounts Department (TAD) in accordance with ALCO guidance. The objective of the funding strategy is to achieve an optimal funding mix which is consistent with prudent liquidity, diversity of sources and servicing costs. Accordingly, TAD estimates daily liquidity requirement. With the help of structural liquidity statement prepared by bank, TAD evaluates current and future liquidity requirement and takes necessary action.

Incorporated in these financial statements are the returns for the year ended on that date of 132 Branches/Offices audited by us and 762 Branches/Offices audited by the Statutory Branch Auditors.
- 1.02 In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013 in the manner so required for the Banking Companies and are in conformity with the accounting principles generally accepted in India and give a true and fair view of the state of affairs of the Bank as at 31st March 2021, and its Profit and Cash Flows for the year ended on that date.

Basis for Opinion

- 2.01 We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities

under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- 3.01 We draw attention to Schedule 18 - Note A.10 (b) of the accompanying financial statements which describes the uncertainties due to outbreak of novel coronavirus (COVID 19). In view of these uncertainties, the impact on the Bank's financial statements is significantly dependent on future developments.
- 3.02 Our opinion is not modified in respect of this matter.

Key Audit Matters

- 4.01 Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

Key Audit Matters

Identification of Non Performing Assets, Income Recognition and Adequacy of Provisions

Loans and Advances and Investments are classified as performing and non performing assets in accordance with the prudential norms issued by the Reserve Bank of India.

The identification of non performing assets and creation of provision on such assets involves key management judgements relating to performance, determination of realizable securities available to the Bank and their valuation.

How our audit addressed the Key Audit Matters

We have assessed the Bank's systems in place for classification of the assets, identification and provision for the non performing assets including assessment of realizable securities and their valuations. Our audit approach consisted of testing the design of the systems for identification of the non performing assets to ensure conformity with the guidelines of the Reserve Bank of India in the matter and test checking the identification and valuation of non performing assets.

We have reviewed the Branch audit reports and ensured that changes suggested by the Branch Auditors' were duly carried out, wherever necessary.

Key Audit Matters

How our audit addressed the Key Audit Matters

Identification of Non Performing Assets, Income Recognition and Adequacy of Provisions

In the event of any improper application of the prudential norms or consideration of the incorrect value of the security, the carrying value of the assets could be materially misstated either individually or collectively, and in view of the significance of the amount of advances and investments in the financial statements, the classification of the advances and investments and provisioning thereon has been considered as Key Audit Matter in our audit.

Due to the Covid pandemic and its consequential effect on the Bank, we have also identified implementation of the Covid Regulatory Package and the Hon. Supreme Court judgement on this matter as a Key Audit Matter.

Further we have reviewed on a test check basis the reports of the credit, inspection, risk based internal, concurrent audits and other special reports to ascertain the advances having any adverse features/ comments, and reviewed the MIS and reports generated from the Bank's system for the same.

With respect to those borrowers to whom moratorium was granted in accordance with the Regulatory Package, on a sample basis, we tested that the moratorium was granted in accordance with the Board approved policy.

With respect to asset classification and income recognition, on a sample basis, we tested that such asset classification and income recognition was carried out in accordance with the guidelines of the Hon'ble Supreme Court and Reserve Bank of India.

Modified Audit Procedures were carried out, wherever physical inspection of documents and records could not be carried due to the Pandemic, by remote access and digitally scanned documents and discussions over email/telephone and video conference and other electronic modes.

Information Technology ("IT") Systems and Controls

The IT environment of the Bank is complex and involves a large number of independent and inter dependent IT systems used in the operations of the Bank for processing and recording large volume of transactions at numerous locations.

Appropriate IT general controls and application controls are required to ensure that such IT systems are able to process the data, as required, completely, accurately and consistently for reliable financial reporting.

We have identified 'IT Systems and Controls' as key audit matter because of the high level automation, significant number of systems being used by the management and the complexity of the IT architecture and its impact on the financial reporting system.

We evaluated and understood the IT system adopted by the Bank for its Core Banking and other operations.

We assessed the operative effectiveness of key automated controls within various business processes. This includes testing the integrity of system interfaces, completeness and accuracy of the data, system reconciliation controls and automated calculations.

We assessed the system of data feeding and extraction of the financial information and statements from the IT system existing in the Bank, reviewed the output and reports generated by the system on a sample basis and where deficiencies were observed/identified, tested the compensating controls and alternate procedures.

Recognition of Deferred Tax Assets

Deferred Income Tax reflects the impact of timing difference between the taxable income and accounting income. Deferred Tax Asset is not recognized unless there is a virtual certainty that sufficient future taxable income will be available against which such asset will be realized.

We have relied upon the management estimates and expert opinions taken by the Bank regarding eligibility of carried forward tax losses for set off against future taxable income and used our own internal expertise in evaluating the claims, assumptions and profitability forecasts and assertions of the management provided to us, that sufficient future taxable income will be available for set off against the tax losses carried forward.

Key Audit Matters

How our audit addressed the Key Audit Matters

Contingent Liabilities, tax litigations and claims

Contingent liability is a possible obligation, outcome of which is contingent upon occurrence or non occurrence of one or more uncertain future events. In the judgement of the management, such claims and litigations including tax demands against the Bank would not eventually lead to a liability. However, should there be an adverse outcome, the Bank will be liable to pay the disputed amount with interest/penalty as may be decided by the competent authorities, the impact of which is uncertain/unascertainable at this stage.

We have relied upon the management note/estimates and the expert/legal opinions obtained by the Bank regarding the claims and tax litigations and reviewed internally the nature of such litigations and claims, their sustainability and likelihood of the claims/litigations materializing into eventual liability upon final resolution, from the available records and developments to date.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

- 5.01 The Bank's Board of Directors' are responsible for the other information. The other information comprises the information included in the Annual Report including Pillar 3 Disclosure under the New Capital Adequacy Framework (Basel III disclosures), but does not include the standalone financial statements and the Auditors' report thereon. The Annual Report is expected to be made available to us after the date of this Auditors' report.
- 5.02 Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.
- 5.03 In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.
- 5.04 When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of the Management and those charged with Governance for the Standalone Financial Statements

- 6.01 The Bank's Board of Directors' is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, and provisions of

Section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the Reserve Bank of India ('RBI') from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

- 6.02 In preparing the financial statements, the management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Auditors' Responsibilities for the audit of the Standalone Financial Statements

- 7.01 Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users' taken on the basis of these financial statements.

7.02 As part of an audit in accordance with the SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Audit report. However, future events or conditions may cause the Bank to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

7.03 We communicate with those charged with governance regarding, among other matters, the planned scope

and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

7.04 We also provide those charged with governance with a statement that we have complied with the relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

7.05 From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our Audit report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

8.01 We did not audit the financial statements/information of 762 Branches/Offices included in the standalone financial statements of the Bank whose financial statements/financial information reflect total advances of ₹ 30,155.28 crore as at 31st March 2021 and total revenue of ₹ 3307.99 crore for the year ended on that date, as considered in the standalone financial statements. Annexure A to the Independent Auditors' Report of even date on the standalone financial statements of The Karnataka Bank Limited

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub section 3 of Section 143 of the Companies Act, 2013

1.01 We have audited the internal financial controls over financial reporting of The Karnataka Bank Limited ('the Bank') as at 31st March 2021 in conjunction with our audit of the standalone financial statements of the Bank for the year ended on that date.

Management's Responsibility for Internal Financial Controls Over Financial Reporting

2.01 The Bank's Board of Directors' is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI').

2.02 These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ('the Act').

Auditors' Responsibility

3.01 Our responsibility is to express an opinion on the Bank's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the Standards on Auditing ('the Standards'), both issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

3.02 Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

3.03 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

4.01 A Bank's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with the generally accepted accounting principles. A Bank's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank;
- b) provide reasonable assurance that the transactions are recorded as necessary to permit preparation of the financial statements in accordance with the generally accepted accounting principles, and that receipts and expenditure of the Bank are being made only in accordance with authorizations of management and Directors' of the Bank; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Bank's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

5.01 Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

- b) The outbreak of Covid-19 pandemic across the globe and in India has contributed to a significant decline and volatility in the global and Indian financial markets and slowdown in the economic activities.

The RBI had announced various Covid-19 regulatory measures ('COVID-19 Regulatory packages') on asset classification and provisioning. The Bank, in accordance with the Board approved policy, had offered moratorium on repayment of loan instalments and/or deferment of interest, as applicable, falling due between Mar 1st, 2020 and August 31st, 2020 ('moratorium period') to eligible borrowers classified as standard, even if overdue, as on February 29th, 2020, without considering the same as restructuring. Further, in respect of such accounts that were granted moratorium, the asset classification remained at a standstill during the moratorium period.

The Honourable Supreme Court of India in Writ Petition by Gajendra Sharma Vs Union of India & Anr and other connected matters had vide its interim order dated September 3rd, 2020 directed the banks that borrower accounts which were not declared NPA till August 31st, 2020 shall not be declared NPA, till further orders, pending disposal of the cases by the Hon'ble Supreme Court. The Bank had made contingency provision of ₹ 97.99 Crores as at December 31st, 2020 for such borrower accounts not classified as non-performing. Pursuant to the Supreme Court's final order dated March 23rd, 2021, and the related RBI notification issued on April 7th, 2021, the Bank has classified these borrower accounts as per extant RBI instructions/IRAC Norms and utilized the above contingency provision towards provision for these accounts.

Apart from the provisions as required under IRAC norms, the Bank has made additional provision during the current financial year ended March 31st 2021 for non performing and stress advances as a matter of prudence.

The continued impact of COVID-19 and pandemic fears, as well as the renewed restrictions on business and individual activities due to regional lockdowns across the country, has affected the global economy including India. The slowdown may lead to a rise in the number of customer defaults and consequently an increase in provisions there against. The extent to which the COVID-19 pandemic (including the current second wave) may continue to impact the Bank's operations and asset quality is dependent on the ongoing as well as future developments, which are highly uncertain.

- c) In accordance with RBI Circular DOR.No.BP.BC.63/21.04.048/2019-20 dated April 17, 2020 on COVID'19 Regulatory Package, the Bank was required to make provision at 10% of outstanding advances in respect of borrower accounts where asset classification benefit has been taken as per the RBI Guidelines. Qualitative Disclosures on LCR

The Bank is computing LCR on a daily basis in line with the RBI circular dated June 9, 2014 on “Basel III Framework on Liquidity Standards – Liquidity Coverage Ratio (LCR), Liquidity Risk Monitoring Tools and LCR Disclosure Standards”. These guidelines ensure that banks maintain sufficient amount of High Quality Liquidity Assets (HQLAs) to survive 30 days stress scenario so that Banks can take corrective measures within such period. These HQLAs have to be 90% of the net cash outflows. [As per RBI circular vide DOR.BP.BC.No.65/21.04.098/2019-20 dated April 17, 2020, bank is required to maintain LCR of above 90% with effect from 01.10.2020 to 31.03.2021. However from April 01, 2021, bank is required to maintain LCR of 100%.]

Necessary system has been put in place to compute LCR and Bank’s strategy would be to maintain LCR well above the regulatory minimum levels ahead of the stipulated timelines. The main driver of LCR is adequate HQLAs and Bank is maintaining LCR well above the minimum stipulated level of 90% in view of SLR investments in excess of statutory requirement and 18.00% of NDTL in the form of borrowing limit available through Marginal Standing Facility (MSF) and Facility to avail Liquidity for Liquidity Coverage Ratio (FALLCR). The Bank has a diversified liability mix comprising of healthy retail deposits with its pan India presence and the dependency on wholesale funding is insignificant.

The Bank during the three months ended March 31, 2021 maintained average HQLA (after haircut) of ₹ 20,130.85 Crore(March 31, 2020: ₹ 15,381.37 crore). HQLA primarily includes Government securities in excess of minimum statutory liquidity ratio(SLR), 3% of NDTL under “marginal standing facility(MSF)”, 15% of NDTL under “facility to avail liquidity for LCR(FALLCR)”, investments under Corporate bonds & commercial papers rate “AA- and above”.

The weighted cash outflows are primarily driven by deposits from retail & small business customers, unsecured wholesale funding which includes non operational deposits and unsecured debt. During the three months ended March 31, 2021, funding from “retail & small business customers” and “Unsecured wholesale funding” contributed 60.81% & 24.11% to the total weighted cash outflows respectively. The other contingent funding obligations primarily include bank guarantees (BGs) and letters of credit (LCs) issued on behalf of the Bank’s clients.

The average LCR of the Bank for the three months ended March 31, 2021 was 308.39% (March 31, 2020: 246.63%). (Note: Increase in FALLCR from 14.50% to 15% of NDTL resulted in increase in HQLAs. Hence LCR increased when compared with March 31, 2020). [As per RBI circular vide DOR.BP.BC.No.65/21.04.098/2019-20 dated April 17, 2020, bank is required to maintain FALLCR 15% to the banks NDTL. w.e.f. 01.04.2020]

At March 31, 2021, top liability products/instruments and their percentage contribution to the total liabilities of the Bank was term deposits: 60.56%, savings account deposits: 22.20%, current account deposits: 5.63%. Top 20 depositors constituted 3.03% of total deposits of the Bank.

The Bank’s Asset Liability Management Committee (ALCO) is empowered to monitor and form suitable strategies to maintain stipulated levels of LCR by channelizing funds to target good quality asset and liability profile to meet the Bank’s profitability as well as liquidity requirements.

Funding strategies are formulated by the Treasury and Accounts Department (TAD) in accordance with ALCO guidance. The objective of the funding strategy is to achieve an optimal funding mix which is consistent with prudent liquidity, diversity of sources and servicing costs. Accordingly, TAD estimates daily liquidity requirement. With the help of structural liquidity statement prepared by the Bank, TAD evaluates current and future liquidity requirement and takes necessary action.

The Bank estimates the volatility based on the historical prices of its equity shares and expected life of options. The Bank granted 36,19,450 options during the year ended March 31, 2021 (previous year: 3,64,400). The various assumptions considered in the pricing model for the ESOPs granted during the year ended March 31, 2021 are:

Identification of Non-Performing Assets, Income Recognition and Adequacy of Provisions

In the event of any improper application of the prudential norms or consideration of the incorrect value of the security, the carrying value of the assets could be materially misstated either individually or collectively, and in view of the significance of the amount of advances and investments in the financial statements, the classification of the advances and investments and provisioning thereon has been considered as Key Audit Matter in our audit.

Due to the Covid pandemic and its consequential effect on the Bank, we have also identified implementation of the Covid Regulatory Package and the Hon. Supreme Court judgement on this matter as a Key Audit Matter.

We have reviewed the Branch audit reports and ensured that changes suggested by the Branch Auditors were duly carried out, wherever necessary.

Further we have reviewed on a test check basis the reports of the credit, inspection, risk based internal, concurrent audits and other special reports to ascertain the advances having any adverse features/ comments, and reviewed the MIS and reports generated from the Bank's system for the same.

With respect to those borrowers to whom moratorium was granted in accordance with the Regulatory Package, on a sample basis, we tested that the moratorium was granted in accordance with the Board approved policy.

With respect to asset classification and income recognition, on a sample basis, we tested that such asset classification and income recognition was carried out in accordance with the guidelines of the Hon'ble Supreme Court and Reserve Bank of India.

Modified Audit Procedures were carried out, wherever physical inspection of documents and records could not be carried due to the Pandemic, by remote access and digitally scanned documents and discussions over email/telephone and video conference and other electronic modes.

Information Technology ("IT") Systems and Controls

The IT environment of the Bank is complex and involves a large number of independent and inter dependent IT systems used in the operations of the Bank for processing and recording large volume of transactions at numerous locations.

Appropriate IT general controls and application controls are required to ensure that such IT systems are able to process the data, as required, completely, accurately and consistently for reliable financial reporting.

We have identified 'IT Systems and Controls' as key audit matter because of the high-level automation, significant number of systems being used by the management and the complexity of the IT architecture and its impact on the financial reporting system.

We evaluated and understood the IT system adopted by the Bank for its Core Banking and other operations.

We assessed the operative effectiveness of key automated controls within various business processes. This includes testing the integrity of system interfaces, completeness and accuracy of the data, system reconciliation controls and automated calculations.

We assessed the system of data feeding and extraction of the financial information and statements from the IT system existing in the Bank, reviewed the output and reports generated by the system on a sample basis and where deficiencies were observed/identified, tested the compensating controls and alternate procedures.

Recognition of Deferred Tax Assets

Deferred Income Tax reflects the impact of timing difference between the taxable income and accounting income. Deferred Tax Asset is not recognized unless there is a virtual certainty that sufficient future taxable income will be available against which such asset will be realized.

We have relied upon the management estimates and expert opinions taken by the Bank regarding eligibility of carried forward tax losses for set off against future taxable income and used our own internal expertise in evaluating the claims, assumptions and profitability forecasts and assertions of the management provided to us, that sufficient future taxable income will be available for set off against the tax losses carried forward.

Key Audit Matters

How our audit addressed the Key Audit Matters

Contingent Liabilities, tax litigations and claims

Contingent liability is a possible obligation, outcome of which is contingent upon occurrence or non occurrence of one or more uncertain future events. In the judgement of the management, such claims and litigations including tax demands against the Bank would not eventually lead to a liability. However, should there be an adverse outcome, the Bank will be liable to pay the disputed amount with interest/penalty as may be decided by the competent authorities, the impact of which is uncertain/unascertainable at this stage.

We have relied upon the management note/estimates and the expert/legal opinions obtained by the Bank regarding the claims and tax litigations and reviewed internally the nature of such litigations and claims, their sustainability and likelihood of the claims/litigations materializing into eventual liability upon final resolution, from the available records and developments to date.

Information other than the consolidated financial statements and Auditor's Report thereon

5.01 The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Bank's Annual report, but does not include the consolidated financial statements and our auditor's report thereon. The Group's Annual report is expected to be made available to us after the date of this auditor's report. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the Group's Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Managements and board of directors' Responsibilities for the Consolidated Financial Statements

6.01 The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirement of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, provisions of section 29 of

the Banking Regulation Act, 1949 and the circulars and guidelines issued by Reserve Bank of India ('RBI') from time to time. The respective management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by management and Directors of the Holding Company, as aforesaid.

6.02 In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so

6.03 The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each Company

Auditor's responsibilities for the audit of the consolidated financial statements

7.01 Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

7.02 As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal financial controls with reference to consolidated financial statements place and the operating effectiveness of such controls based on our audit.
- Conclude on the appropriateness of management and board of directors use of the going concern basis of accounting in preparing consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if

such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in 'Other Matters' in this audit report.

7.03 We believe that the audit evidence obtained by us along with the consideration of the audit report of the other auditors referred to in Para 8 of the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements

7.04 We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and the timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

7.05 We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards

7.06 From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

- f. With respect to the matter to be included in the Auditors' Report under section 197(16), as informed to us, requirements with respect to the matter to be included in the Auditor's Report under section 197(16) of the Act are not applicable to the Banking companies. Based on the reports of the statutory auditors of such subsidiary company incorporated in India which was not audited by us, no remuneration has been paid by the subsidiary company to its Directors'. Accordingly, the provisions of Section 197 read with schedule V to the Act are not applicable and hence no reporting under Section 197(16) is required.

Annexure A to the Independent Auditor's Report of even date on the consolidated financial statements of The Karnataka Bank Limited for the year ended 31st March 2021

Report on the Internal Financial Controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1.01 In conjunction with our audit of the consolidated financial statements of The Karnataka Bank Limited and its subsidiary (collectively referred to as the 'Group') as of and for the year ended 31st March 2021, we have audited the internal financial controls with reference to consolidated financial statements of The Karnataka Bank Limited (hereinafter referred to as "the Holding Company") and its subsidiary, as of that date.

Management's Responsibility for Internal Financial Controls

2.01 The respective company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to consolidated financial statement criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note.

2.02 These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditor's Responsibility

3.01 Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and

if such controls operated effectively in all material respects.

3.02 Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error

3.03 We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary companies, in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

4.01 A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

- 5.01 Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

- 6.01 Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness

of the internal financial controls over financial reporting insofar as it relates to its subsidiary company incorporated in India, is based on the corresponding reports of the auditors of such company.

- 6.02 Our opinion on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Opinion

- 7.01 In our opinion, the Holding Company and its subsidiary company have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31st March 2021, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

14. The outbreak of Covid-19 pandemic across the globe and in India has contributed to a significant decline and volatility in the global and Indian financial markets and slowdown in the economic activities.

The RBI had announced various Covid-19 regulatory measures ('COVID-19 Regulatory packages') on asset classification and provisioning. The Bank, in accordance with the Board approved policy, had offered moratorium on repayment of loan installments and/or deferment of interest, as applicable, falling due between Mar 1st, 2020 and August 31st, 2020 ('moratorium period') to eligible borrowers classified as standard, even if overdue, as on February 29th, 2020, without considering the same as restructuring. Further, in respect of such accounts that were granted moratorium, the asset classification remained at a standstill during the moratorium period.

The Honorable Supreme Court of India in writ petition by Gajendra Sharma Vs Union of India & Anr and other connected matters had vide its interim order dated September 3rd, 2020 directed the banks that borrower accounts which were not declared NPA till August 31st, 2020 shall not be declared NPA, till further orders, pending disposal of the cases by the Hon'ble Supreme Court. The Bank had made contingency provision of ₹ 147.99 Crores as at December 31st, 2020 for such borrower accounts not classified as non-performing. Pursuant to the Supreme Court's final order dated March 23rd, 2021, and the related RBI notification issued on April 7th, 2021, the Bank has classified these borrower accounts as per extant RBI instructions/ IRAC Norms and utilized the above contingency provision towards provision for these accounts.

Apart from the provisions as required under IRAC norms, the Bank has made accelerated provision during the current financial year ended March 31st 2021 for Non- performing and stress advances as a matter of prudence.

The continued impact of COVID-19 and pandemic fears, as well as the renewed restrictions on business and individual activities due to regional lockdowns across the country, has affected the global economy including India. The slowdown may lead to a rise in the number of customer defaults and consequently an increase in provisions there against. The extent to which the COVID-19 pandemic (including the current second wave) may continue to impact the Bank's operations and asset quality is dependent on the ongoing as well as future developments, which are highly uncertain.

15. Litigations and claims

A sum of ₹ 708.38 crore (Previous year ₹ 655.49 crore) is outstanding on account of demands raised by the Income Tax Department in the earlier years which have been fully paid under protest by debit to Sundry Assets - Protested Tax Account. In addition to the above, the Income Tax Department has gone on appeal on various issues wherein Appellate Authority has given decisions in favour of the Parent Bank to the extent of ₹ 459.16 crore.

The Parent Bank has also preferred appeal against certain service tax demands to the extent of ₹ 189.59 crore and paid pre deposit of ₹ 1.05 crore by debit to Sundry Assets – Service Tax Paid under Protest.

The Parent Bank has been advised that there are good chances of success in these appeals, considering favorable judicial pronouncements and / or appellate orders on identical issues for earlier years. Hence, the Parent Bank does not consider it necessary to make any provision or include the same under Schedule 12 - Contingent Liability, to the Balance sheet.

The Parent Bank confirms that all pending litigations which may have an impact on its financial position have been estimated and provided for. In respect of other pending litigations, the Parent Bank believes that no provision is required since these pending litigations have no impact on its financial position.

16. Employee Stock Option

The shareholders of the Parent Bank, on July 21, 2018, have approved 'KBL Employee Stock Option Scheme-2018' (ESOS-2018) with a total of 50,00,000 stock options available for grant each of which is convertible into one equity share. The scheme has been framed in accordance with SEBI (Share Based Employee Benefits) Regulations, 2014 as amended from time to time. Further, to give effect to the corporate action in FY 2019-20, by way of Bonus issue in the ratio of 1:10, additional 1,07,147 options have been accounted and hence, the total available options under the scheme stand increased to 51,07,147 stock options.

Parent Bank has followed Intrinsic Value method for accounting the stock options in accordance with the aforesaid SEBI Regulations. As per the scheme, the exercise price per option shall be the closing price per equity share of the Parent Bank on the date of the grant.

The options granted under ESOS 2018 would vest after one year from the date of grant of such options in a graded manner over a period of three years (i.e. 40%, 30% & 30% respectively on completion of 1st, 2nd & 3rd year), as determined by the Nomination & Remuneration Committee (NRC), a committee of the Board of Directors, subject to continued employment with the Parent Bank on the date of vesting.

During the year ended March 31, 2021, no modifications were made to the terms and conditions of ESOPs as approved by the NRC.

*after giving effect to Bonus issue in 2020

Application of Fair value methodology

Since, the Parent Bank has followed intrinsic value method, the fair value of options used to compute the net profit and earnings per equity share has been estimated on the dates of each grant using the Black and Scholes Formula. The Parent Bank estimates the volatility based on the historical prices of its equity shares and expected life of options. The Parent Bank granted 36,19,450 options during the year ended March 31, 2021 (Previous Year 3,64,400). The various assumptions considered in the pricing model for the ESOPs granted during the year ended March 31, 2021 are:

| Grant Date | 03.10.2020 | 21.11.2020 | 15.02.2021 |

| a. Expected dividends yield | 2.81% | 2.81% | 2.81% |
| b. Expected volatility | 35.48% to 36.62% | 34.94% to 36.32% | 36.30% to 37.35% |
| c. Risk –free interest rate | 5.06% to 5.68% | 4.71% to 5.39% | 5.10% to 5.75% |
| d. Expected life of the options | 3.50 to 5.50 | 3.50 to 5.50 | 3.50 to 5.50 |
| e. The price of the underlying share in the market at the time of option grant. | 41.50 | 44.25 | 65.25 |
