Put Option	Not Applicable
Put Date	Not Applicable
Put Price	Not Applicable
Put Notification Time	**
Call Option	 The Bonds may be called upon, at the initiative of the Bank only after a minimum period of five years post allotment of the Bonds, subject to the below conditions: a. To exercise a Call Option, Bank must receive prior approval of RBI (Department of Banking Regulation); and
	 b. Bank must not do anything which creates an expectation that the call will be exercised. For example, to preclude such expectation of the instrument being called, the dividend/ coupon reset date need not be co-terminus with the call date. Banks may, at their discretion, consider having an appropriate gap between dividend/coupon reset date and call date; and c. Banks must not exercise a call unless:
	 i. They replace the called instrument with capital of the same or better quality and the replacement of this capital is done at conditions whichare sustainable for the income capacity of the Bank; or ii. The bank demonstrates that its capital position is well
	above the minimum capital requirements after the Call Option is exercised. The use of tax event and regulatory event calls may be permitted.
	However, exercise of the calls on account of these events is subject to the requirements set out in points(a) to (c) above. RBI will permit the Bank to exercise the call only if the RBI is convinced that the Bank was not in a position to anticipate these events at the timeof issuance of the Bonds.
Record Date	At least 15 days prior to each Coupon Payment Date, and Redemption Date.
Redemption Date	Tenure of the Bonds proposed is 10 years from the date of allotment and as such, the redemption of these Bonds would be in the year 2029, subject to "special features" and call option feature as detailed in this term sheet.
Redemption Amount	Subject to the provisions mentioned in " Special Features " in the Summary Term Sheet, the redemption amount would be Rs. 1,00,000 per Bond i.e. at par.
Redemption Premium/ Discount	Nil

r	
Settlement Interest on	Payment of interest and repayment of principal shall be made by way of direct credit/NECS/RTGS/NEFT mechanism in Indian Rupees. In the event of any online credit failure, Bank reserves the right to settle the amounts by way of cheque(s)/ warrant(s)/demand draft(s) or any other banking instruments/channels. Since the application process is governed by the NSE-EBP, interest
Application money	on applicationmoney is not payable. However in the event of <i>force majeure</i> , Bank will pay an interest at 12.00% p.a. on the application money till the date of allotment.
Default InterestRate	In case of a default in payment of interest and/or principal redemption on the respective due dates (except under circumstances as mentioned in the RBI Norms / RBI Guidelines / Basel III Guidelines), additional interest @ 2.00% per annum over the documented Coupon Rate will be payable by the Bank (subject to prevailing regulatory environment) for the defaulting period i.e. from the date of occurrence of such default up to the date on which the defaulted amounts together with default interest is paid.
	The Bank will notify the Reserve Bank of India in case of non- payment of coupon as guided by the RBI Master Circular referred in this Information Memorandum.
Seniority	 Claims of the Bondholders shall be: Senior to the claims of investors in instruments eligible for inclusion in Tier 1 Capital whether currently outstanding or issued at any time in the future; Subordinate to the claims of all depositors and general creditors of the Bank; Neither secured nor covered by a guarantee of the Bank or its related entity or other arrangement that legally or economically enhances the seniority of the claim vis-à-vis creditors of the Bank; and <i>Pari-passu</i> without preference amongst themselves and other subordinated debt that is eligible for inclusion in Tier 2 Capital whether currently outstanding or issued at any time in the future.
	Tier 1 Capital and Tier 2 Capital shall have the meaning ascribed to such terms in theBasel III Guidelines. The claims of the Bondholders shall be subject to the provisions
Events of Default	mentioned in the point " Special Features " in this Term Sheet. The Bondholders shall have no rights to accelerate the repayment of future scheduled payments (coupon or principal) except in bankruptcy and liquidation, subject to RBI Guidelines/directions/instructions as the case may be.
Provisions related to Cross Default Clause	Not Applicable
Governing Law andJurisdiction	The Bonds are governed by and shall be construed in accordance with the laws of India, as modified or amended from time to time. Any dispute arising thereof will be subject to the sole jurisdiction of courts of Mangaluru Karnataka.

	inimum requirements to ensure Loss Absorbency of Non-equity Instruments at the Point of Non-Viability
General Conditions	The present Issue of Bonds is being made in pursuance Master Circular No. DBR. No. BP.BC.1/ 21.06.201/ 2015-16 dated July 1, 2015 issued by the Reserve Bank of India on Basel III Capital Regulations ("Master Circular") covering terms and conditions for issue of Tier 2 capital (Annex 5 of the Master Circular) and minimum requirements to ensure loss absorbency of all non-equity regulatory capital instruments at the point of non-viability (Annex 16 of the Master Circular) as amended from time to time. In the event of any discrepancy or inconsistency between the terms of the Bonds contained in any Transaction Document(s) (including this Information Memorandum) and the Basel III
Mode of Loss Absorption and Trigger Event	Guidelines, the provisions of the Basel III Guidelines shall prevail. The Bonds, at the option of the Reserve Bank of India, may be written-off upon the occurrence of the trigger event, called the 'Point of Non-Viability (PONV) Trigger' as stipulated in the BASEL III Guidelines and determined by RBI.
	 Loss Absorption at the Point of Non-Viability ("PONV") (a) If a PONV Trigger (as described below) occurs, the Bank shall: notify the Trustee cancel any coupon which is accrued and unpaid on the Bonds as on the write-down date; and without the need for the consent of Bondholders or the Trustee, write down the outstanding principal of the Bonds by such amount as may be prescribed by RBI (b) Following writing-off of the Bonds and claims and demands as noted above neither the Bank, nor any other person on the Bank's behalf shall be required to compensate or provide any relief, whether absolutely or contingently, to the Bondholder or any other person claiming for or on behalf of or through such holder and all claims and demands of such persons, whether under law, contract or equity, shall stand permanently and irrevocably extinguished and terminated. (c) The write-off of any Common Equity Tier I Capital shall not be required before the write-off of any non-equity (Additional Tier I & Tier II) regulatorycapital instruments.
Point of Non- Viability (PONV)	 (a) The PONV Trigger event is the earlier of: i. decision that a permanent write-off, without which the Bank would become non-viable, is necessary, as determined by the Reserve Bank of India; and ii. the decision to make a public sector injection of capital, or equivalent support, without which the Bank would have become non-viable, as determined by the relevant authority.
	<u>For these purposes, the Bank may be considered as non-viable if:</u> The Bank which, owing to its financial and other difficulties, may no longer remain a going concern on its own in the opinion of the RBI unless appropriate measures are taken to revive its operations and thus, enable it to continue as a going concern. The difficulties faced by a Bank should be such that these are likely to result in financial losses and raising the Common Equity Tier 1 capital of the Bank should be considered as the most appropriate way to prevent the Bank from turning non-

viable. Such measures would include write-off of the Bonds/conversion of non- equity regulatory capital into common shares in combination with or without other measures as considered appropriate by the Reserve Bank of India.
 (b) The amount of non-equity capital to be written-off will be determined by RBI. (c) The order of write-off of the Bonds shall be as specified in the order of Seniority as per this Information Memorandum and any other regulatory norms as may be stipulated by the RBI from time to time. (d) The write-off consequent upon the trigger event must occur prior to any public sector injection of capital so that the capital provided by the public sector is not diluted. The bondholders shall have any residual claims on the Bank (including any claims which are senior to ordinary shares of the Bank),
 following a trigger event and when write-off is undertaken. (e) In case of the Bank facing financial difficulties and approaching a PONV will be deemed to achieve viability if within a reasonable time in the opinion of the RBI, it will be able to come out of the present difficulties if appropriate measures are taken to revive it. The measures including augmentation of equity capital through write-off of Bonds/public sector injection of funds are likely to: i. Restore depositors'/investors' confidence; ii. Improve rating/creditworthiness of the bank and thereby improve its borrowing capacity and liquidity and reduce cost of funds; and iii. Augment the resource base to fund balance sheet growth
 in the case of fresh injection of funds. (f) Criteria to Determine the PONV: The above framework will be invoked when the Bank is adjudged by RBI to be approaching the point of non-viability, or has already reached the point of non-viability, but in the views of RBI: i. there is a possibility that a timely intervention in form of capital support, with or without other supporting interventions, is likely to rescue the Bank; and ii. if left unattended, the weaknesses would inflict financial losses on the Bank and, thus, cause decline in its common equity level.
RBI would follow a two-stage approach to determine the non- viability of a bank. The Stage 1 assessment would consist of purely objective and quantifiable criteria to indicate that there is a <i>prima</i> <i>facie</i> case of the Bank approaching non-viability and, therefore, a closer examination of the Bank's financial situation is warranted. The Stage 2 assessment would consist of supplementary subjective criteria which, in conjunction with the Stage 1 information, would help in determining whether the Bank is about to become non- viable. These criteria would be evaluated together and not in isolation. Once the PONV is confirmed, the next step would be to decide whether rescue of the Bank would be through write-off alone

Other events:	or write-off in conjunction with a public sector injection of funds. The trigger at PONV will be evaluated both at consolidated and solo level and breach at either level will trigger write-off. In the event of winding-up:
	level and breach at either level will trigger write-off. In the event of winding-up:
	In the event of winding-up:
Treatment of Bonds in the event of winding-up, amalgamation, acquisition, re- constitution etc.	 (a) If the Bank goes into liquidation before the Bonds have been written-down, the Bonds will absorb losses in accordance with the order of seniority indicated in the Information Memorandum and as per usual legal provisions governing distribution in a winding-up situation. (b) If the Bank goes into liquidation after the Bonds have been written-down, the Bondholders will have no claim on the proceeds of liquidation.
	 <u>Amalgamation of a banking company: (Section 44A of BR Act, 1949):</u> Subject to provisions of the Banking Regulation Act, 1949 as amended from time totime: If the Bank is amalgamated with any other bank before the Bonds have been written-down, the Bonds will become part of the corresponding categories of regulatory capital of the new bank emerging after the merger. If the Bank is amalgamated with any other bank after the Bonds have been written-up by the amalgamated entity.
	Scheme of reconstitution or amalgamation of a banking company: (Section 45 of BR Act, 1949) If the relevant authorities decide to reconstitute the Bank or amalgamate the Bank with any other bank under the Section 45 of Banking Regulation Act, 1949, the Bank will be deemed as non- viable or approaching non-viability and both the pre-specified trigger and the trigger at the point of non-viability for write-down of Bonds will be activated. Accordingly, the Bonds will be fully written-down permanently before amalgamation/reconstitution in accordance with the RBI Norms/ RBI Guidelines.

Note: For the complete terms and conditions, kindly refer to the Term Sheet as made available in the Information Memorandum of the respective Series as submitted to the stock exchange.

Put Notification Time	11	
Call Option	(i) Issuer Call	i. The Bonds may be called upon, at the initiative of the Bank only after a minimum period of five years post allotment of the Bonds, subject to the below conditions:
		 a. To exercise a Call Option, Bank must receive prior approval of RBI (Department of Banking Regulation); and b. Bank must not do apything which groates and
		b. Bank must not do anything which creates an expectation that the call will be exercised; andc. Banks must not exercise a call unless:
		 ii. They replace the called instrument with capital of the same or better quality and the replacement of this capital is done at conditions which are sustainable for the income capacity of the Bank; or iii. The bank demonstrates that its capital position is well above the minimum capital requirements after the Call Option is exercised.
		The use of tax event and regulatory event calls may be permitted. However, exercise of the calls on account of these events is subject to the requirements set out in points (a) to (c) above. RBI will permit the Bank to exercise the call only if the RBI is convinced that the Bank was not in a position to anticipate these events at the time of issuance of the Bonds.
	Call	If a Tax Event (as described below) has occurred and continuing, then the Issuer may subject to paragraphs (a) (b) and (c) of "Issuer Call" above, having notified the Trustee not less than 21calendar days prior to the date of exercise of such call ("Tax Call") which notice shall specify the date fixed for exercise of the Tax Call "Tax Call Date"), exercise a call on the Bonds or substitute the Bonds so that the Bonds have better regulatory classification subject to adjustment on account of "Loss Absorbency", "Permanent principal write-down on PONV Trigger Event" and "Other Events" mentioned in this Terms of the Issue.

	A Tax Event has occurred if, as a result of any change in, or amendment to, the laws affecting taxation (or regulations or rulings promulgated there under) of India or any change in the official application of such laws, regulations or rulings the Issuer will no longer be entitled to claim a deduction in respect of computing its taxation liabilities with respect to Coupon on the Bonds ("Tax Event"). The exercise of Tax Call by the Issuer is subject to the requirements set out in the Basel III Guidelines. RBI will permit the Issuer to exercise the Tax Call only if the RBI is convinced that the Issuer was not in a position to anticipate the Tax Event at the time of issuance of the Bonds and if the Bank demonstrates to the satisfaction of RBI that the Bank's capital position is well above the minimum capital requirements after the Call Option is exercised. (iii) If a Regulatory Event (described below) has occurred and Regulatory continuing, then the Issuer may subject to paragraphs(a),b) Call and (c) of "Issuer Call" above, having notified the Trustee not less than 21 calendar days prior to the date of exercise of such call ("Regulatory Call") which notice shall specify the date fixed for exercise of the Regulatory Call (the "Regulatory Call Date")), exercise a call on the Bonds or substitute the Bonds so that the Bonds have better regulatory classification subject to adjustment on account of "Loss Absorbency", "Permanent principal write- down on PONV Trigger Event" and "Other Events" mentioned in this Terms of the Issue.
	A Regulatory Event is deemed to have occurred if there is a downgrade of the Bonds in regulatory classification i.e. Bonds are excluded from the Tier 2 Capital of the Issuer. The exercise of Regulatory Call by the Issuer is subject to requirements set out in the Basel III Guidelines. RBI will permit the Issuer to exercise the Regulatory Call only if the RBI is convinced that the Issuer was not in a position to anticipate the Regulatory Event at the time of issuance of the Bonds and if the Bank demonstrates to the satisfaction of RBI that the Bank's capital position is well above the minimum capital requirements after the Call Option is exercised. The Issuer Call, the Tax Call and the Regulatory Call are hereinafter referred to as the "Call Option".
Record Date	At least 15 days prior to each Coupon Payment Date, and Redemption Date.
Redemption Date	Tenure of the Bonds proposed is 10 years from the date of allotment and as such, the redemption of these Bonds would be in the year 2032, subject to "Loss Absorbency", "Write-off on PONV Trigger Events" and "Other Events" and call option feature as detailed in this Terms of the Issue.
Redemption Amount	Subject to the provisions mentioned in "Loss Absorbency", "Write- off on PONV Trigger Events" and "Other Events" mentioned in the Terms of the Issue, the redemption amount would be `1,00,00,000 (Rupees one crore) per Bond i.e. at par.

Nil
Private Placement in dematerialized form through Electronic Bidding Platform of NSE. As regards the Payment of interest and repayment of principal, the same will be made by way of direct credit/
NECS/RTGS/NEFT mechanism in Indian Rupees to the eligible bond holders holding bonds as on the record date announced from time to
time. In the event of any online credit failure, Bank reserves the right
to settle the amounts by way of cheque(s)/ warrant(s)/demand draft(s) or any other banking instruments/channels.
Since the application process is governed by the NSE-EBP, interest
on applicationmoney is not payable. However in the event of <i>force majeure</i> , Bank will pay an interest at 12.00% p.a. on the application money till the date of allotment.
In case of a default in payment of interest and/or principal redemption
on the respective due dates (except under circumstances as mentioned in the RBI Norms / RBI Guidelines / Basel III Guidelines), additional
interest @ 2.00% per annum over the documented Coupon Rate will be
payable by the Bank (subject to prevailing regulatory environment) for
the defaulting period i.e. from the date of The Bank will notify the
Reserve Bank of India in case of non-payment of coupon as guided by
the RBI Master Circular referred in this Information Memorandum.
Claims of the Bondholders shall be:
i. Senior to the claims of investors in instruments eligible for inclusion in Tier 1 Capital whether currently outstanding or issued at any time in the future;
ii. Subordinate to the claims of all depositors and general creditors of the Bank;
 iii. Neither secured nor covered by a guarantee of the Bank or its related entity or other arrangement that legally or economically enhances the seniority of the claim vis-à-vis creditors of the Bank; and
iv. <i>Pari-passu</i> without preference amongst themselves and other subordinated debt that is eligible for inclusion in Tier 2 Capital whether currently outstanding or issued at any time in the
future. Tier 1 Capital and Tier 2 Capital shall have the meaning ascribed to such terms in the Basel III Guidelines.
The claims of the Bondholders shall be subject to the provisions mentioned in the points "Loss Absorbency", "Write-Off on PONV Trigger Events" and "Other Events" in these Terms of the Issue.
The Bondholders shall have no rights to accelerate the repayment of future scheduled payments (coupon or principal) except in bankruptcy and liquidation of the Issuer. It is further clarified that cancellation of discretionary payments or any exercise of Write-off on PONV Trigger Event, Loss Absorbency and Other Events shall not be deemed to be an event of default. The Issuer or the Trustee may call for meeting of Bondholders as per the terms of the DTD. E-voting facility may be provided, if

	applicable subject to compliance with regulatory guidelines. In case of any decision that requires a special resolution at a meeting of the Bondholders duly convened and held in accordance with provisions contained in DTD and applicable law, the decision shall be passed by a majority consisting of not less than three-fourths of the persons voting thereat upon a show of hands or if a poll is demanded or e-voting facility is used, by a majority representing not less than three-fourths in value of the votes cast on such poll. Notwithstanding anything contained above, if any regulations/ circular/ guidelines issued by SEBI/RBI or any other relevant regulator require the voting to be held in a particular manner, the provisions contained in such regulations/ circular/ guidelines shall prevail. The DTD shall contain the provisions for the meetings of the Bondholders and manner of voting. Subject to applicable law and regulatory guidelines, a meeting of the Bondholders, may consider the proposal for joining the inter creditor agreement, if applicable, and the conditions for joining such inter creditor agreement, if applicable, will be made part of the meeting agenda and the Trustee will follow the process laid down vide SEBI circular SEBI/HO/MIRSD/CRADT/CIR/P/2020/203 dated October 13, 2020, at all times subject to RBI Guidelines.
Provisions related to Cross Default	'Additional Covenants' of this Placement Memorandum Not Applicable
Clause Governing Law andJurisdiction	The Bonds are governed by and shall be construed in accordance with the laws of India, as modified or amended from time to time. Any dispute arising thereof will be subject to the sole jurisdiction of courts of Mangaluru Karnataka.
	inimum requirements to ensure Loss Absorbency of Non-equity Instruments at the Point of Non-Viability
	The present Issue of Bonds is being made in pursuance Master Circular No. DBR. No. BP.BC.1/ 21.06.201/ 2015-16 dated July 1, 2015 issued by the Reserve Bank of India on Basel III Capital Regulations ("Master Circular") covering terms and conditions for issue of Tier 2 capital (Annex 5 of the Master Circular) and minimum requirements to ensure loss absorbency of all non- equity regulatory capital instruments at the point of non- viability (Annex 16 of the Master Circular) as amended from time to time. In the event of any discrepancy or inconsistency between the terms of the Bonds contained in any Transaction Document(s) (including this Placement Memorandum) and the Basel III Guidelines, the provisions of the Basel III Guidelines shall prevail.

Absorption and Trigger Event off upon the occurrence of the trigger event, called the 'Point of Non-Viability (PONV) Trigger' as stipulated in the BASEL III Guidelines and determined by RBI. Loss Absorption at the Point of Non-Viability ("PONV") a. If a PONV Trigger (as described below) occurs, the Bank shall: notify the Trustee cancel any coupon which is accrued and unpaid on the Bonds as on the write-down date; and without the need for the consent of Bondholders or the Trustee, write down the outstanding principal of the Bonds by such amount as may be prescribed by RBI Following writing-off of the Bonds and claims and demands as noted above neither the Bank, nor any other person on the Bank's behalf shall be required to compensate or provide and holder and all claims and demands of such persons, whether under law, contract or equity, shall stand permanenty and irrevocably extinguished and terminated. Point of Non-Viability (a) The PONV Trigger event is the earlier of: Viability (pONV) (PONV) (a) The PONV Trigger event is the earlier of: i. decision that a permanent write-off, without which the Bank would become non-viable, is necessary, as determined by the Reserve Bank of India; and ii. the decision to make a public sector injection of capital, or equivalent support, without which the Bank would have, would become non-viable, is necessary, as determined by the Reserve Bank of India; and ii. the decision to make a going concern. The difficulties naay no longer remain a going concern on its own in the opinion of the RBI unless appropr	Mode of Loss	The Bonds, at the option of the Reserve Bank of India, may be written-
Trigger Event Viability (PONV) Trigger (as stipulated in the BASEL III Guidelines and determined by RBI. Loss Absorption at the Point of Non-Viability ("PONV") a. If a PONV Trigger (as described below) occurs, the Bank shall: i. notify the Trustee ii. cancel any coupon which is accrued and unpaid on the Bonds as on the write-down date; and iii. without the need for the consent of Bondholders or the Trustee, write down the outstanding principal of the Bonds by such amount as may be prescribed by RBI b. Following writing-off of the Bonds and claims and demands as noted above neither the Bank, nor any other person on the Bank's behalf shall be required to compensate or provide any relief, whether absolutely or contingently, to the Bondholder or any other person claiming for or on behalf of or through such holder and all claims and demands of such persons, whether under law, contract or equity. shall stand permanently and irrevocably extinguished and terminated. Point of Non-Viability (PONV) (a) The PONV Trigger event is the earlier of: Viability (pONV) (a) The PONV Trigger event is the earlier of: . decision that a permanent write-off, without which the Bank would become non-viable, is necessary, as determined by the Reserve Bank of India; and ii. the decision to make a public sector injection of capital, or equivalent support, without which the Bank would have become non-viable, as determined by the relevant authority. For these purposes, the Bank may be considered as non-viable if: The Bank which, owing to its financial and other difficulties, may no longer remain a going concern. The difficulties, faced b		
and determined by RBI. Loss Absorption at the Point of Non-Viability ("PONV") a. If a PONV Trigger (as described below) occurs, the Bank shall: i. notify the Trustee ii. cancel any coupon which is accrued and unpaid on the Bonds as on the write-down date; and iii. without the need for the consent of Bondholders or the Trustee, write down the outstanding principal of the Bonds by such amount as may be prescribed by RBI b. Following writing-off of the Bonds and claims and demands as noted above neither the Bank, nor any other person on the Bank's behalf shall be required to compensate or provide any relief, whether absolutely or contingently, to the Bondholder or any other person claiming for on behalf of or through such holder and all claims and demands of such persons, whether under Iaw, contract or equity, shall stand permanently and irrevocably extinguished and terminated. c. The write-off of any Common Equity Tier 1 Capital shall not be required before the write-off of any non-equity (Additional Tier 1 & Tier 2) regulatory capital instruments. Point of Non- Viability (PONV) (a) The PONV Trigger event is the earlier of: i. decision that a permanent write-off, without which the Bank would become non-viable, is necessary, as determined by the Reserve Bank of India; and ii. the decision to make a public sector injection of capital, or equivalent support, without which the Bank would have become non-viable, as determined by the relevant authority. For these purposes, the Bank may be considered as non-viable if: The Bank which, owing to its financial and other difficulties, may no longer remain a going concern. The difficulties faced by a Bank should be such that these are likely to result in financial losses and raising the Common Fquity Tier 1 capital of the Bank should be considered as the most appropriate way to prevent the Bank from turning non-viable. Such measures would include write-off of the Bonds/conversion of non-equity regulatory capital into common shares in comb	-	-
 a. order of seniority as per uns information memoralidum and		*
any other regulatory norms as may be stipulated by the RBI		
from time to time.		
(d) The write-off consequent upon the trigger event must occur		
prior to any public sector injection of capital so that the capital		
provided by the public sector is not diluted. The bondholders		

 shall have any residual claims on the Bank (including any claims which are senior to ordinary shares of the Bank), following a trigger event and when write-off is undertaken. (e) In case of the Bank facing financial difficulties and approaching a PONV will be deemed to achieve viability if within a reasonable time in the opinion of the RBI, it will be able to come out of the present difficulties if appropriate measures are taken to revive it. The measures including augmentation of equity capital through write-off of Bonds/public sector injection of funds are likely to: i. Restore depositors'/investors' confidence; ii. Improve rating/creditworthiness of the bank and thereby improve its borrowing capacity and liquidity and reduce cost of funds; and iii. Augment the resource base to fund balance sheet growth in the case of fresh injection of funds. (f) Criteria to Determine the PONV: The above framework will be invoked when the Bank is adjudged by RBI to be approaching the point of non-viability, or has already reached the point of non-viability, but in the views of RBI: i. there is a possibility that a timely intervention in form of capital support, with or without other supporting interventions, is likely to rescue the Bank; and ii. If left unattended, the weaknesses would inflict financial losses on the Bank and, thus, cause decline in its common equity level.
RBI would follow a two-stage approach to determine the non- viability of a bank. The Stage 1 assessment would consist of purely objective and quantifiable criteria to indicate that there is a <i>prima</i> <i>facie</i> case of the Bank approaching non-viability and, therefore, a closer examination of the Bank's financial situation is warranted. The Stage 2 assessment would consist of supplementary subjective criteria which, in conjunction with the Stage 1 information, would help in determining whether the Bank is about to become non- viable. These criteria would be evaluated together and not in isolation. Once the PONV is confirmed, the next step would be to decide whether rescue of the Bank would be through write-off alone or write-off in conjunction with a public sector injection of funds.
The trigger at PONV will be evaluated both at consolidated and solo level and breach at either level will trigger write-off.

Other events:	In the event of winding-up:
Treatment of	(c) If the Bank goes into liquidation before the Bonds have been
Bonds in the event	written-down, the Bonds will absorb losses in accordance with
of winding-up,	the order of seniority indicated in the Information
amalgamation,	Memorandum and as per usual legal provisions governing
acquisition, re-	distribution in a winding-up situation.
constitution etc.	(d) If the Bank goes into liquidation after the Bonds have been
constitution etc.	written-down, the Bondholders will have no claim on the
	proceeds of liquidation.
	proceeds of inquidation.
	Amalgamation of a banking company: (Section 44A of BR Act, 1949):
	Subject to provisions of the Banking Regulation Act, 1949 as
	amended from time totime:
	i. If the Bank is amalgamated with any other bank before the
	Bonds have been written-down, the Bonds will become part of
	the corresponding categories of regulatory capital of the new
	bank emerging after the merger.
	ii. If the Bank is amalgamated with any other bank after the Bonds
	have been written-down permanently, the Bonds cannot be
	written-up by the amalgamated entity.
	Scheme of reconstitution or amalgamation of a banking company:
	<u>(Section 45 of BR Act, 1949)</u>
	If the relevant authorities decide to reconstitute the Bank or
	amalgamate the Bank with any other bank under the Section 45 of
	Banking Regulation Act, 1949, the Bank will be deemed as non-
	viable or approaching non-viability and both the pre-specified
	trigger and the trigger at the point of non-viability for write-down
	of Bonds will be activated. Accordingly, the Bonds will be fully
	written-down permanently before amalgamation/reconstitution in
	accordance with the RBI Norms/ RBI Guidelines.
